Tree Lighting Ceremony

November 28 • 7:00 pm • Village Hall Front Plaza

The Village of Glendale Heights invites all residents to participate in the Tree Lighting Ceremony. Holiday decor and lights will decorate the Civic Center Campus. Enjoy the sounds of the holidays through the performance of Glendale Heights' choral groups and share the holiday spirit as Mayor Linda Jackson and special guest Santa Claus illuminate the Civic Center Complex with just a flick of the switch! Then be sure to stop by the Center for Senior Citizens after the ceremony to warm up with free refreshments.

Victorian Christmas

December 5 • 6:30 pm - 8:30 pm

Visit the Historic House at 311 Windy Point Drive and experience what a "Victorian Christmas" might have been like 100 years ago!

Admission is free and refreshments will be served. Tours of the home will be offered and children will have the opportunity to make a Victorian decoration to take home.

Breakfast with Santa

December 10 • 9:00 am - 11:30 am
Glendale Lakes Golf Club

Come visit Santa Claus and tell him what is on your wish list while having an all-you-can-eat pancake breakfast. The price of an adult breakfast is $5 and a children's breakfast is $3. Photos with Mr. & Mrs. Claus are $2.

No registration is required and the event fee is paid at the door.

Letter from the Village President

300 Civic Center Plaza • Glendale Heights, IL 60139
630.909.5303 • ljackson@glendaleheights.org

Dear Residents,

Greetings and happy holidays! I am pleased to report that it was another very good year for development in Glendale Heights, and we continue to see continuous investment and reinvestment in the community. I encourage everyone to visit the new businesses at the corner of Army Trail Road and Schmale Road which include a new Sleep Number store and Panda Express restaurant. We will also have a new Shell Gas Station at the Northeast corner of Bloomingdale Road and Army Trail Road, along with Burrito Parrilla Mexicana restaurant a few doors down. For a complete list of businesses that have opened throughout Glendale Heights, please visit page 10 of the Village Newsletter. I encourage everyone to shop local, and for new businesses to join the Glendale Heights Chamber of Commerce to help market themselves and network with other businesses throughout town.

As this year winds down, I have been reflecting on things I am blessed with in my life. I thank God every day for my loving family, life-long friendships and good neighbors. I am also very thankful for all the wonderful volunteerism that goes on in our community. Whether you served on one of the many committees and commissions, give your time to a local non-profit, volunteer at our special events, or give back by being a coach for our youth programming, we appreciate your time and commitment. Check out the Village's website for information on volunteer opportunities for all ages.

Please join us as we remember the many brave men and women who have served our country on Veterans Day. We will hold our annual ceremony on Friday, November 11th at 11:00 am at Veterans Memorial Park as we pay tribute to our military veterans. The Village will once again be collecting holiday cards to send to our military personnel. You can drop off your cards at Village counters until Thursday, December 1st. Please remember that cards should not include glitter or personal contact or social media information. Also, the annual Christmas Sharing Program represents the very essence of the holiday spirit of giving. If you are able to help make a difference in the lives of others, look for the mitten trees located at Village Hall, the Sports Hub and the Center for Senior Citizens.

We will be kicking off the holiday on Monday, November 28th at 7:00 pm for our annual Tree Lighting Ceremony at Village Hall. Santa and Mrs. Claus will be counting down as we officially begin the holiday season! We also want to invite residents to stop by the Historic House at 311 Windy Point Drive for the annual Victorian Christmas. This free program is on Monday, December 5th starting at 6:30 pm and will feature tours, light refreshments, holiday craft making for children and Christmas carolers. Lastly, don't miss the holiday tradition of Breakfast with Santa on Saturday, December 10th beginning at 9:00 am at Glendale Lakes Golf Club. Tell Santa and Mrs. Claus what is on your holiday wish list!

It has been an honor and privilege to serve the residents of Glendale Heights as your Village President, and I look forward to seeing us continue to work together to be a progressive community for all people! On behalf of the entire Village Board, we would like to wish you and your family a wonderful holiday season, and a healthy, happy and prosperous New Year!

Sincerely,

Linda Jackson

Linda Jackson, Village President

Coffee with the Mayor & Board

Coffee with the Mayor & Board is held on the first Saturday of each month* from 10:00 am to noon at the Center for Senior Citizens. ***The next Coffee with the Mayor & Board* is scheduled for November 5th. There is no Coffee with the Mayor in December.** If you are unable to attend and have a comment, suggestion or question, please call the Mayor's Office at 630.909.5303. *Subject to Change

Veterans Day Ceremony

November 11 • 11:00 am
Veterans Memorial Park

A ceremony will be held at Veterans Memorial Park, 220 Civic Center Plaza at 11:00 am on Veterans Day. The event includes a flag and color guard presentation, rifle salute and a tribute to our fallen warriors.

Village of Glendale Heights offices will be closed on Friday, November 11 as we honor all military personnel, past and present.

A PROUD & PROGRESSIVE VILLAGE FOR ALL PEOPLE

Christmas Sharing

Spread holiday cheer to individuals and families financially unable to purchase gifts or a holiday meal for their family this season. The Village of Glendale Heights Christmas Sharing Committee is in need of your help! Tree gift tags listing wished for items will be decorating trees located on the 1st floors of the Civic Center Complex, the Sports Hub and the Senior Center, beginning November 18. It is the Committee's goal to have a bare tree for the holiday season, so that all family members pre-registered in the program receive a gift.

Please attach the gift tag to your unwrapped gift donation(s) and return it to the Civic Center or the Center for Senior Citizens on or before December 9th. The Christmas Sharing Committee relies on the continued generosity of the community to help them meet the needs of every family who qualifies for assistance. Please call 630.260.6000, or Debbie McKenzie at 630.260.6050 for further information about Christmas Sharing donations, and how you may "adopt a family."

Sending Cheer to Military Personnel

While writing your greeting cards to friends and relatives, please remember our military personnel who are serving our country during the holidays.

The Village is collecting holiday greeting cards and will mail them in time for a holiday delivery. Please drop off your greeting cards to Village Hall by December 1st. Please do not decorate cards with glitter or add personal or social media information to cards. Also, do not include envelopes with cards. For more information, call 630.909.5327.

Community Holiday Wreaths
at the Glenside Public Library District

An annual holiday tradition at the Glenside Public Library is the display of Community Holiday Wreaths in the library's lobby during the month of December. The wreaths represent various nationalities, schools, professions, hobbies, clubs and organizations.

All are invited to decorate an artificial wreath, approximately 18 inches in diameter, with ornaments or other small items that represent the theme of the wreath. All wreaths should be brought to the Circulation Desk before December 1. For more information, please call the library at 630.260.1550.

Village Fleets Prep For Winter

The Fleets Division has commenced preparing winter equipment. The Fleets Division takes great pride in making sure all snow fighting equipment is ready for the winter season. It is the goal of the Fleets Division to calibrate each truck to put down enough salt to melt snow or ice, but not overly salt in order to preserve the environment.

Plow trucks are considered emergency equipment and have the right of way on our roads. Please remember this and keep a safe distance between you and the snow fighting equipment.

To make sure your car is ready for the winter season, ensure that your battery is in good condition and that your antifreeze protects your vehicle to 35 degrees below zero. It is always a good idea to carry a blanket in your car in case you should break down.

Utilities Division

The Utilities Division will winterize fire hydrants for the upcoming winter months. This entails pumping unwanted water out of the fire hydrant barrel section to keep the hydrant from freezing rendering it inoperable. Additionally, the fire hydrant is inspected for defects or operational issues which are addressed in a timely manner. Please contact the Public Works Department if you notice any issues with a fire hydrant in your area including any damage to the hydrant marker. You can contact Public Works at 630.260.6040, Monday through Friday 7:00 am to 4:00 pm. Additionally, if you notice any issues with fire hydrants, valves or water main breaks after normal business hours please contact the Police Department's non-emergency number at 630.260.6070.

Water Pollution Control Facility

DID YOU KNOW ?

- Pollution of water in rivers and lakes is caused by sewage effluent, fertilizer runoff and industrial chemical discharge. Soap and dirt from washing cars can flow through drains and ditches and end up in our streams and waterways.
- Pollution of fresh drinking water is a problem for approximately half of the world's population. Asian rivers are the most polluted in the world having 3 times more bacteria from human waste as the global average and 20 times more lead in rivers than industrialized countries.
- About 1.2 trillion gallons of untreated sewage, stormwater and industrial waste are discharged into American waterways every year.
- In the Village, the Water Pollution Control Facility (WPCF) consistently meets or exceeds water plant discharge regulations. The water discharged by the WPCF is actually cleaner than the water in the discharging stream, thereby preserving the water quality of surrounding lakes and streams.

In-House Street Sweeping to Continue through November

To enable an efficient and effective street sweeping schedule, the Village has been divided into four zones. Parking on streets will be prohibited during the months of April, May, October and November between 8:00 am and 4:00 pm on one specific day each week in each zone. Color coded "No Parking" signs have been posted throughout the Village.

Red Zone - All Village streets north of the Canadian National Railway line to the northern boundaries of the Village. No Parking on Mondays, 8:00 am to 4:00 pm.

Blue Zone - All Village streets west of Bloomingdale Road to the western boundaries of the Village, north of Fullerton Avenue to the Canadian National Railway line, all Village streets west of President Street to the western boundaries of the village and from Golfview Drive north to Fullerton Avenue. No Parking on Tuesdays, 8:00 am to 4:00 pm.

Green Zone - All Village streets east of Bloomingdale Road to the eastern boundaries of the Village and from the Canadian National Railway line south to North Avenue. No Parking on Wednesdays 8:00 am to 4:00 pm.

Brown Zone - All Village streets south of North Avenue to the southern boundaries of the Village, all Village streets west of Bloomingdale Road to President Street, from Armitage Avenue north to Fullerton Avenue, all Village streets west of President Street to Schmale Road, and West Lake Drive south to North Avenue. No Parking on Fridays, 8:00 am to 4:00 pm.

For any questions or concerns you may have regarding the Street Sweeping Program, please contact Public Services at 630.260.6040 or at publicservices@glendaleheights.org.

Winter Parking

The Glendale Heights Police Department would like to remind residents of a few parking regulations within the Village.

Parking on Sidewalks

Within any sidewalk area, residents may park on an owner's driveway or across the sidewalk between the hours of 10:00 p.m. and 7:00 a.m. or within 24 hours after a snowfall of 1 inch or more has occurred from November 1st through March 31st.

Snowfall Parking

- There is no parking allowed on Village streets designated as a snow route for 24 hours after a snowfall of 1" or more
- There is no parking allowed on any Village street for 24 hours after a snowfall of 2" or more
- There is no parking allowed on any Village street for 72 hours after a snowfall of 5" or more.

Should you need additional information or clarification regarding the above regulations, please contact the Glendale Heights Police Department non-emergency number at 630.260.6070.

Project Blue Light

Project Blue Light is a simple gesture. The color blue is symbolic of peace. The Village of Glendale Heights is asking residents to consider decorating at least one piece of your landscape or one window with blue lights during the holiday season. By displaying your blue lights, you will be sending a dual message: that you support America's peacemakers and that you hope the coming year will be a year of peace.

Project Blue Light began during the holiday season in 1988 when Mrs. Dolly Craig of Philadelphia, PA wrote to Concerns of Police Survivors (C.O.P.S.) that she would be putting two blue candles in her living room that holiday season. One for her son-in-law, Daniel Gleason, who had been killed in the line of duty on June 5, 1986, while serving the Philadelphia (PA) Police Department, and the other for her daughter, Danny's wife, Pam, who was killed in an automobile accident in August 1988. Danny and Pam had six children. C.O.P.S. adopted this idea as a way that everyone could honor the officers who serve and protect us while remembering those who have been killed in the line of duty. Project Blue Light now burns bright in the hearts of many of the nearly 15,000 surviving families of America's fallen law enforcement officers during the holiday season and throughout the year.

Since Project Blue Light was introduced, it has been embraced by many law enforcement organizations and their families. Please show your support for law enforcement officers who serve and protect every day of the year with a blue light this holiday season. Most people won't know its significance, but the ones to whom it matters most, will.

For more information about the National Concerns of Police Survivors, Inc., visit the National C.O.P.S. website at www.nationalcops.org.

Holiday Safety Tips:

As the holiday shopping season is upon us, please take time to ensure you have a safe and happy holiday season. As you find time to shop, please be mindful of the following safety tips:

- Be aware of your surroundings. Look for suspicious persons, etc. when you are in any area.
- If shopping late in the day or after dark, park in an area that is well lit.
- Don't leave cell phones, purses, or any other item of value in your parked car where they can be seen. Always conceal these items.

Home Winter Preparedness Checklist

Bloomingdale Fire Protection Districts Receives $225,000 FEMA Grant

The Bloomingdale Fire Protection District has received a grant from the Federal Emergency Management Agency to replace obsolete self contained breathing apparatus (SCBA) for each riding position on its emergency vehicle. The $225,000 grant from FEMA's Assistance to Firefighters Grant program will allow the district to improve its aging equipment. The grant requires a $25,000 match from the district.

The SCBA is critical in allowing firefighters to enter a toxic atmosphere without the danger of inhaling harmful gases. The units will include masks, bottles and harnesses and will replace equipment which has outlasted its life expectancy. The district expects to make the purchase in the next few months.

Lock it or Lose it

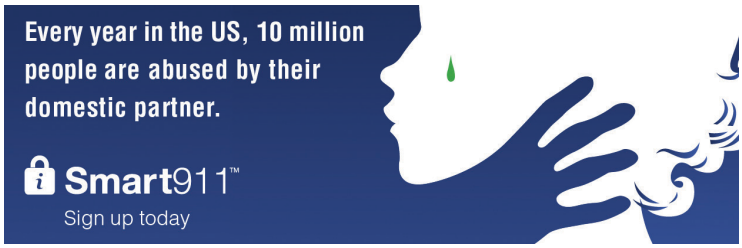
With the cold temperatures approaching, some residents find it convenient to go out and start their vehicles to allow them to warm up, or they leave their vehicles running while they run into the convenience store for that cup of coffee. No one likes to get into a cold car. However, most vehicle thefts are crimes of opportunity, so don't make it easier for thieves to steal cars. If you must warm up your vehicle, stay with your vehicle. If you are out running errands and run into a store or business, please shut your vehicle off and lock it. Remember it is illegal to leave your vehicle running and unattended.

Domestic Violence Awareness and Smart911

On average, nearly 20 people per minute are physically abused by an intimate partner in the United States. During one year, this equates to more than 10 million women and men. 1 in 3 women and 1 in 4 men have been victims of some form of physical violence by an intimate partner within their lifetime.

By creating a Smart911 Safety Profile, people can provide information about their risk of being a domestic violence victim along with a home address. Should the victim ever need to call 9-1-1, the dispatcher will be able to send help without the victim ever saying a word.

Please visit www.Smart911.com to create your profile today!



Keep the Wreath Red

Each year during the holiday season, the Glenside and Bloomingdale Fire Protection Districts participate in the statewide "Keep the Wreath Red" program. The program starts when the Fire District illuminates a Christmas wreath with all red bulbs on the fire station. During the holiday season, if there are any fires related to decorations, a white bulb will replace a red bulb on the wreath. We ask everyone in the community to help "Keep the Wreath Red" by keeping some important safety tips in mind this holiday season.

- If you use a live tree, be sure to choose a fresh tree that is not shedding needles and keep it well watered.
- Make sure Christmas and Hanukkah lights are labeled by a testing laboratory. Replace any worn sets or those with loose connections. Outside, use lights labeled for outdoor lighting. Always unplug everything before going to bed or leaving home.
- Do not use candles in decorations or displays. Keep them away from curtains or other combustible materials and never put them in windows or near exits. Keep candles out of the reach of small children.

Refuse/Recycling Holiday Collections

In observance of the Holidays, residents are advised of a change to their regular schedule for refuse and recycling collections. Republic Services will follow their Holiday Pick Up Schedule. All pick up days are delayed, by one day for all customers who are scheduled on the day of, or following a holiday.

Thanksgiving Holiday:

- Thursday's regular route is collected on Fri, 11/25
- Friday's regular route is collected on Sat, 11/26

Christmas Holiday:

- Thursday's regular route is collected on Fri, 12/30
- Friday's regular route is collected on Sat, 12/31

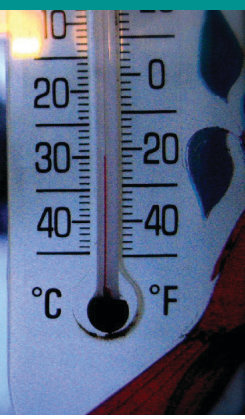
- Thursday's regular route is collected on Fri, 1/6
- Friday's regular route is collected on Sat, 1/7

For service related questions, please call Republic Services at 847.981.0091.

In the event of extreme weather conditions, please remember to check on relatives, neighbors and friends! Glendale Heights has warming shelters in place. Call the Police Department's non-emergency number at 630.260.6070 for more information!



Yard Waste Collections

There will be no yard waste pickup from December - March. The final yard waste collection for the season is scheduled during route pick-ups, following Republic Services' Refuse & Recycling Holiday Collections for the Thanksgiving Day Holiday.

Yard waste such as leaves, grass clippings, twigs, branches, brush and other plant material are collected from single-family residences on the same day as solid waste and recycling between the months of April and November.

For service related questions, please contact Republic Services at 847.981.0091.

Important Water Meter Notice

As the water meter installed in your home ages, the battery providing the necessary power to signal your usage is reaching its end of use. This makes it difficult to get an accurate read on the meter and in turn, creates an estimated read.

When the Village identifies your bill as estimated, a notice is mailed to your home requesting you to schedule an appointment for your meter to be serviced. To determine if it is an estimate, look at the amount listed for your "Current Read" on your water bill. If an "E" is displayed next to the number, your water bill is being estimated.

Example:

Meter No. 14029999
Current Read ..... 283 E
Previous Read 281
Consumption..... 2 TGAL

This is an indication a problem with your water meter has occurred and service is required. To avoid errors in the amount billed to your account, it is important you contact Water Billing at 630.260.6010 to schedule a free meter service call.

Business License Renewal

The Office of Administrative Services reminds businesses that the deadline for renewing their annual Village Business License is December 30, 2016.

A Business License Renewal form, inclusive of information regarding your business, will be mailed early November to the business addresses on file. Upon receipt, please carefully review, complete as needed, and return the form with payment by the due date to the Village of Glendale Heights, Attn: Business Licenses. If you have not received your Business License Renewal form by November 30th or have further questions regarding the renewal process, please contact Administrative Services at 630.260.6000.
