Letter from the Village President

300 Civic Center Plaza • Glendale Heights, IL 60139
630.909.5303 • ljackson@glendaleheights.org

Dear Residents,

As we finally welcome warmer weather, I look forward to seeing you and your family at the many fun events we have planned throughout the summer. Mark your calendars for GH₂O Aquatic Center opening day on Saturday, May 24th. One of our newest events will be June-bilee held on June 14th directly following the morning Fishing Derby event that starts at 9:30 am. The June-bilee will begin at noon, and will feature casting contests, paddle boat races, lots of games and live music.

I am very proud to announce that the Village of Glendale Heights was recently awarded a \$1,376,100 grant through FEMA's Hazard Mitigation Grant Program. The funds will be used towards a number of important upgrades in the Glendale Heights Community. These improvements will be located in and around the Glendale Square Shopping Center, and include bank stabilization and modification of structures to the existing James Court Pond, upsizing 75 feet of storm sewer, new inlets and storm sewer at the south side of the shopping center, and the construction of a new 6-acre detention pond south of the Menards shopping center. This grant will ultimately lessen the financial impact when future flooding occurs in these areas, and it will help the community members and business owners continue to prosper.

Please keep our military service men and women who are serving our country in your thoughts and prayers and join us for a special service on Monday, May 26th at 11:00 am at Veterans Memorial Park. Residents are encouraged to visit Veterans Memorial Park at any time to experience "The Journey into the US Armed Forces, Past and Present". A path system educates visitors about historic facts and statistics, and leads to the Memorial Circle that provides a place of mourning, serenity, thankfulness and celebration.

As always, if you have any questions or concerns regarding the Village, please stop in for coffee with me and the Village Board of Trustees on the first Saturday of each month from 10:00 am – noon at the Center for Senior Citizens or call my office anytime at 630.909.5303. Be sure to stay up to date with Village news, programs and other announcements by visiting www.glendaleheights.org or liking us on Facebook and Twitter at VOGHNews.

I would like to wish everyone a wonderful, warm and sunny summer!

Sincerely,

Linda Jackson
Village President

Flag Day

Saturday, June 14

Flag Day is celebrated on June 14. In honor of our "Red, White and Blue," the following tips for proudly displaying our U.S. flag are recommended by the National Flag Day Foundation:

- Hoist the flag briskly, and lower it ceremoniously.
- If you display the flag overnight, illuminate it.
- No other flag or pennant should be placed above or at the same level to the right of the U.S. flag.
- Don't allow the flag to touch anything beneath it, including the ground, water or the floor.
- When your flag fades or wears thin (typically after a year) replace it with a new one.
- Remember to dispose of the old flag in the Village's Flag Depository (located at the circular island in front of Village Hall) for proper military disposal.

The Flag Disposal Program was started in 2004 by Village Trustee Chester Pojack. As of April 6, 2014, a total of 4,628 flags were collected. For information concerning the Flag Disposal Program, contact Village Trustee Chester Pojack at 630.909.5310.

Glendale Heights Historic House

Open for tours on June 14, August 9 and September 13

The Glendale Heights Historic House located at 311 Windy Point Drive (corner of Windy Point Drive and Paul Avenue) will be open for tours on the second Saturday of June, August and September between 10:00 am and 1:00 pm.

Step inside the front door and step back in time to the way things were 100 years ago, right down to the working pump on the kitchen sink, a wood burning stove in the kitchen, oil burning light fixtures and the player piano in the front parlor. The attached exhibit hall is devoted to the display of the history of Glendale Heights, from the original settlers who arrived in the 1830's, to the incorporation of the Village in 1959, and its growth and development over the past 50 years.

If you love the Victorian era, this is something you will want to experience. Bring the kids along to see the working train set and farm land exhibit and don't forget your camera. The Historic House is a wonderful "old place" in our community for everyone to enjoy!

Crossing Guard Appreciation Day

Tuesday, May 6

School Crossing Guards play an important role in the lives of children who walk or bike to school. Most notably, they help the students of School Districts 15 and 16 safely cross the street at key

locations, working hard to protect our children each and every school day.

These dedicated individuals serve as an integral part of our community in many ways and are often overlooked by the public. Crossing Guards serve to remind motorists to be aware of children in and around school zones and help parents feel more comfortable about their children walking or bicycling to school. They possess a deep sense of responsibility and common sense, have a good rapport with children and brave extreme weather conditions throughout the school year.

We invite the entire community to recognize the significant contribution of these individuals on May 6, Crossing Guard Appreciation Day, and to remember their efforts to ensure a safe journey for our school children each day of the school year.

National Police Week 2014

Sunday, May 11 - Saturday, May 17

In 1962, President Kennedy proclaimed May 15th as National Peace Officers Memorial Day and the calendar week in which May 15th falls, as National Police Week. Established by a joint resolution of Congress in 1962, National Police Week pays special recognition to those law enforcement officers who have lost their lives in the line of duty for the safety and protection of others.

National Police Week 2014 will run from Sunday, May 11th through Saturday, May 17th. To commemorate that week, the Glendale Heights Police Department will be handing out blue ribbons for residents to put on their vehicles as a symbol of respect to those who have laid down their lives in the line of duty and to show support to law enforcement officers protecting our streets. May 15th is National Peace Officers' Memorial Day and we especially hope you'll fly the ribbons on that day as we honor those who have made the ultimate sacrifice.

Junior Police Academy

For Ages 11 to 14, June 16 - 20 from 8:00 am to 4:00 pm

The registration fee is \$40 and the number of participants is limited to 25. The class is offered only once a year. Registration is accepted on a first-come, first served basis,

so be sure to enroll early! To register or for more information, contact the Glendale Heights Sports Hub at 630.260.6060 or www.GHPRF.com.

Safety Town Classes

For Ages 5 to 7

Teaching safety awareness to our children when they are young is very important in our efforts to protect their precious lives. The Village of Glendale Heights and Glendale Heights Police Department strive to help by offering safety education for children ages 5 to 7 through our Safety Town Classes. Children must be 5 years of age by the first day of class.

The classes are held from 9:00 am to 11:00 am for five consecutive days, with the first session scheduled to begin Monday, June 23, 2014. A variety of educational topics are covered, including pedestrian, railroad, fire, bus, and bike safety, as well as stranger danger, first aid & poisons, emergency 9-1-1, and seat belt use. The children will receive a Safety Town T-shirt and be provided hand out materials daily.

Session fees for residents of Glendale Heights and Glenside Fire Protection District is \$15.00; the non-resident fee is \$30.00. There are four sessions scheduled, with the maximum class size limited to 24 students. For registration information and session dates, contact the Glendale Heights Sports Hub at 630.260.6060.

First Responders To Begin Carrying Narcan

The number of heroin overdoses in DuPage County in 2013 soared to 45, with the youngest victim being 15 years old. Addiction to heroin is quick and can begin as innocently as being prescribed pain medication for a sports injury. Enforcement efforts alone cannot stem this tide. The Glendale Heights Police Department has been taking steps to educate the community and our young adults on the dangers of heroin.

Now, Glendale Heights Police officers will be armed with Narcan, a drug used by first responders to reverse the effects of a heroin or opioid overdose. Police Officers are often the first on the scene of these types of medical emergencies and seconds can save lives. The faster Narcan is administered the better the chance for recovery from an overdose. Glendale Heights Police Officers were trained in March and April in the administration of Narcan, and now carry it with them while on patrol.

If you or someone you love is addicted, call the Police Department's Community Outreach Specialist, Tanya Macko, at 630.909.5459 for information on where to get help.

Escape Planning

Your ability to get out depends on advance warning from smoke alarms and advance planning.

The Bloomingdale Fire Protection District and the National Fire Protection Association (NFPA) would like to remind you to plan ahead. In 2013, there were over 350,000 reported home structure fires and nearly 2,400 associated civilian deaths in the United States.

Fire can spread rapidly through your home, leaving you as little as two minutes to escape safely once the alarm sounds. Pull together everyone in your household and make a plan. Walk through your home and inspect all possible exits and escape routes. Households with children should consider drawing a floor plan of your home, marking two ways out of each room, including windows and doors. Also, mark the location of each smoke alarm. For easy planning, download NFPA's escape planning grid at nfpa.org. This is a great way to get children involved in fire safety in a non-threatening way.

For more information about escape routes or other safety information, contact Battalion Chief Richard Kurka of the Bloomingdale Fire Protection District at 630.894.9080.

Signed Up for CodeRED?

The Village of Glendale Heights has the CodeRED high-speed telephone emergency notification service, which gives Village Officials the ability to deliver pre-recorded emergency telephone notification/information messages to targeted areas or the entire Village. A recent bank robbery in Glendale Heights was solved within a day due in part to the CodeRED system. The system was invaluable during the blizzards of 2011 and 2014 to notify all residents and businesses about snow plowing, parking restrictions and emergency services.

CodeRED uses a database of published residential telephone numbers for Glendale Heights. If your telephone number is unpublished or if you use a cellular phone, you should assume that your number is not in the system and you will not receive notification. The system will also send emails and text messages to you, and now has a mobile app.

To ensure you receive notification, residents and businesses should log onto the Village's website and follow the CodeRED emergency notification link on the right side of the main page to the "CodeRED Residential and Business Data Collection" page. Those without Internet access may call the Glendale Heights Police Department at 630.260.6070. Forms are also available at Village Hall. Information is confidential and only used for emergency notifications.

The Police Department also uses the system to automatically call and check on senior citizens during periods of extreme weather, using a pre-defined Senior Care Calling List. Seniors may ask to be placed on this list by contacting Senior Services Manager, Debbie McKenzie at 630.260.6050.

Questions about CodeRED should be directed to Sgt. Larry Pincsak at 630.909.5432 or at lpincsak@glendaleheights.org.

Tax Talk

A new fiscal year begins for the Village on May 1 and Village officials have been working to finalize budgets which become the guiding force in the delivery of services. The age old question you might be asking is...

Just where do my Village taxes go?

Fifty percent (50%) of the total Village budget in Fiscal Year 2014 came from taxes; be they property, sales, utility or other types of taxes, and they are vital in the equation that enables the Village to sustain and provide quality services.

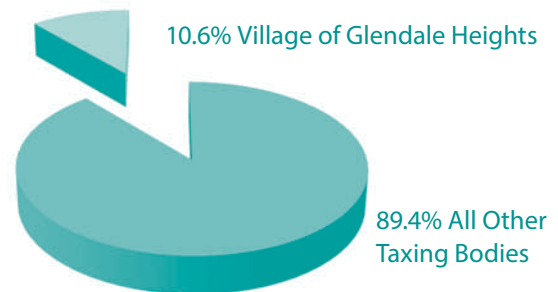

The Village's portion of the overall property tax burden is about 10.6%, so for a residential property that pays \$6,000 in total property taxes, the Village stands to receive about \$636 of that annually, or \$1.74 per day. And with that \$1.74 a resident can expect to receive in turn:

- A CALEA accredited law enforcement agency which responded to 15,663 calls for service last year, and through its efforts saw a reduction of 19.7% in major crimes during the last year.
- A Public Works Street division that responded to 33 snow and ice events in 2013, keeping streets safe and clear during the 3rd snowiest season on record.
- A Parks division which has made the removal of over 2,000 diseased Ash trees a top priority; replanting more than 300 trees last year and this past spring.
- A first class Center for Senior Citizens, boasting a membership of over 2,000.
- Numerous community events that celebrate common interests, ethnic diversity and small town charm.

The Village Board has worked very hard to adopt realistic budgets that are sensitive to the plight of many homeowners still facing declining Equalized Assessed Valuations without compromising services. Since 2009, housing values have slid 36.6% and while a decline in property values pushes the tax rate up, it does not mean that the Village is collecting higher tax dollars. In fact, the 2013 tax levy is still over \$450,000 LESS than it was in 2009.

The 2014-2015 fiscal year budget will soon be available for review on the Village website. If you have questions regarding the budget, taxes or Village finances, you can contact the Finance Department at 630.909.5342.

TOTAL PROPERTY TAXES

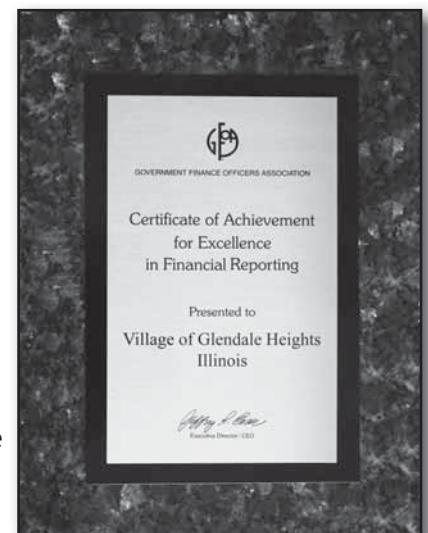

CAFR Award

The Village proudly announces that for the thirty first consecutive time, it has been awarded with a Certificate of Achievement for Excellence in Financial Reporting for its 2013 Comprehensive Annual Financial Report (CAFR) by the Government Finance Officers Association (GFOA). The Certificate of Achievement is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management.

The CAFR has been judged by an impartial panel to meet the high standards of the program including demonstrating a constructive "spirit of full disclosure" to clearly communicate its financial story and motivate potential users and user groups to read the CAFR. The GFOA is a nonprofit professional association serving approximately 17,500 government finance professionals with offices in Chicago, IL and Washington, D.C.

A copy of the 2013 CAFR can be viewed online under the Finance Department page of the Village website, or a copy can be obtained at the Office of Finance at Village Hall.

The 2014-15 Village vehicle stickers are sold at the Village Civic Center beginning on Monday, May 5th. The new vehicle sticker must be displayed by 12:01 am, July 1st, 2014 on the lower right hand corner of the windshield. Passenger vehicle stickers are \$15, motorcycle tags are \$12, recreational vehicle stickers are \$18, and trucks with B plates are \$25. There is an additional price schedule for trucks based on their individual weights. Qualifying senior citizens receive one sticker at no charge.

Per Village Ordinance, overnight parking on Village streets is restricted to those vehicles having a valid vehicle sticker.

Sticker Purchase: By Mail

If you bought one or more sticker(s) last year, the Village will mail you a pre-printed renewal application during the first week of May. If you received a pre-printed renewal application, you'll be able to conveniently purchase your sticker either by mail or at the Village Civic Center. If you have purchased a new vehicle with a new license plate, you must include a copy of your license plate registration with your renewal application.

If you have not received a pre-printed form in the mail, you are required to provide proof of your State Vehicle Registration indicating your Glendale Heights address at time of purchase. Failure to provide proof of residency of a Village address will result in sticker costs to be doubled. Adequate proofs of residency include a driver's license, utility bill or lease. Exceptions are made for residents who bring home a business vehicle. Residents are required to bring a letter on company letterhead indicating to whom the vehicle is assigned with resident's home address.

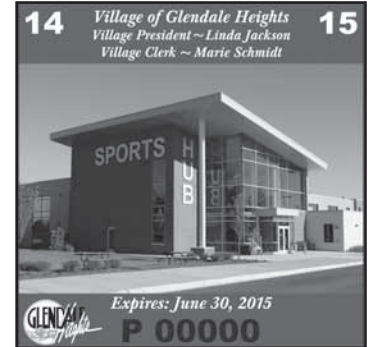

Sticker Purchase: In Person

If you'd rather buy your new sticker(s) in person instead of by mail, or need to provide your proof of residency, you can do so at the Village Civic Center during regular business hours, Monday through Friday, between 8:00 am and 4:30 pm, and Thursday evenings until 7:00 pm. For your convenience, the Village Civic Center will be open on Saturdays in June from 9:00 am to noon.

Late Payment Penalty

- A \$10.00 penalty will be charged if application is received after the deadline date of June 30th.
- A \$20.00 penalty will be charged if application is received after the deadline date of July 31st.
- A \$30.00 penalty will be charged if application is received after the deadline date of August 31st.

It is strongly recommended to purchase your stickers early to avoid long lines and penalties.

Electronic Recycling Program

Residents are reminded that electronic items are not collected at the curbside during regular refuse and recycling curbside pick-up services in accordance to the 2012 Illinois Landfill Ban that prohibits the disposal of such items.

The Village of Glendale Heights resumes electronic recycling collections in May on Thursdays from 7:30 am to 3:00 pm at the Glendale Heights Public Works Garage, located at 1635 Glen Ellyn Road. This location serves as a free drop-off facility. Participants are asked to bring assistance, if needed to unload their items. For a complete list of accepted items, visit www.glendaleheights.org/Goes_Green. Hazardous waste, paint and CFLs are NOT accepted.

This recycling program is brought to you by the DuPage County Environmental Committee. For further information and a list of other FREE drop-off locations and service dates, visit www.dupageco.org/recycling.

Dog & Cat License/Tag

The Village of Glendale Heights by Ordinance requires that the owner of any dog or cat above the age of six months, kept or housed within the Village to be licensed and wearing the license/tag at all times. The biggest benefit of registering your pet with the Village of Glendale Heights is the increased chance of being reunited with your dog or cat, should it become lost. Applying for the license also serves as a reminder to renew your pet's annual rabies vaccination, which could save the pet's life.

The application must be made through the Administrative Services counter of the Village Hall (300 Civic Center Plaza), after the dog or cat attains the age of six months. The license is valid for one year from the issue date of the license. Annually, a new tag must be obtained within ten days of your animal receiving its current rabies tag.

Should you have any questions regarding the application process, you may call 630.260.6000 or visit the Glendale Heights website at www.glendaleheights.org/AdminServices/animal_licenses.html
