Linda Jackson, Mayor

Veterans Day Ceremony

November 11, 11:00 am, Veterans Memorial Park

A ceremony will be held at Veterans Memorial Park, 220 Civic Center Plaza at 11:00 am on Veterans Day. The event includes a flag and color guard presentation, rifle salute and a tribute to our fallen warriors.

Village of Glendale Heights offices will be closed on Tuesday, November 11 as we honor all military personnel, past and present.

For more information, please call the Mayor's Office at 630.909.5303.

Tree Lighting Ceremony

November 24, 7:00 pm, Village Hall Front Plaza

The Village of Glendale Heights invites all residents to participate in the Tree Lighting Ceremony where Santa Claus will be the guest of honor. Holiday decor and lights will decorate the Civic Center. Enjoy the sounds of the holidays through the performance of Glendale Heights' choral groups starting at 7:00 pm. Share the holiday spirit as Mayor Linda Jackson illuminates the Civic Center Complex with just a flick of the switch! Be sure to stop by the Senior Center after the ceremony to warm up with free refreshments.

Breakfast with Santa

December 6, 9:00 am - 11:30 am, Glendale Lakes Golf Club

Breakfast with Santa will be celebrated at Glendale Lakes Golf Club on Saturday, December 6 from 9:00 am to 11:30 am.

Breakfast includes all-you-can-eat pancakes with sausage and a beverage. The price of an adult breakfast is \$5 and a children's breakfast is \$3. Photos with Mr. & Mrs. Claus are \$2.

No registration is required and the event fee is paid at the door.

Victorian Christmas

December 8, 6:30 pm - 8:30 pm

Visit the Historic House at 311 Windy Point Drive and experience what a "Victorian Christmas" might have been like 100 years ago!

Admission is free and refreshments will be served. Tours of the home will be offered and children will have the opportunity to make a Victorian decoration to take home.

Letter from the Village President

300 Civic Center Plaza • Glendale Heights, IL 60139
630.909.5303 • ljackson@glendaleheights.org

Dear Residents,

It is hard to believe that the year is already coming to an end and the holidays are upon us. This is the time of the year to be thankful for so many things! Please join us on Tuesday, November 11th at 11:00 am at Veterans Memorial Park to pay tribute to our military veterans. This is a wonderful time to reflect on the blessings we have, including, the privilege of living in a country where we have so many freedoms. The Village will once again be collecting holiday cards to send to our active military personnel. You can drop off your cards at Village counters until Tuesday, December 2nd. Also, the annual Christmas Sharing Program represents the very essence of the holiday spirit of giving. If you are able to help make a difference in the lives of others, look for the mitten trees located at Village Hall, the Sports Hub and the Center for Senior Citizens.

I am happy to report that the Village of Glendale Heights was awarded another grant from the Department of Commerce and Economic Opportunities (DCEO) in the amount of \$75,000 that will be utilized to purchase a new bus for the Center for Senior Citizens. The Village has also been awarded several Illinois Clean Energy (ICE) grants to replace the exterior lighting at our Public Works buildings and many of our public parks, including Camera Park, Nazos Park, Reskin Park and Americana Tennis Courts. The grants that the Village has received over the past several years have helped us greatly in achieving our goals to complete several long awaited capital projects. The Village will continue to be diligent in identifying federal and state grants to supplement our local funds. Other grant applications are currently pending, and I will keep you informed as award notifications are received.

We will kick off the holiday season with our annual tree lighting ceremony Monday, November 24th at 7:00 pm on the front steps of Village Hall. We also want to invite residents to stop by the Historic House at 311 Windy Point Drive for the annual Victorian Christmas. This free program is on Monday, December 8th starting at 6:30 pm and will feature tours, light refreshments, holiday craft making for children and Christmas carolers. Don't miss these opportunities to meet your neighbors and get in the holiday spirit.

On behalf of the entire Village Board, we extend warm wishes for a wonderful holiday season. May your "Christmas list" also include catching up with close friends and family.

Sincerely,

Linda Jackson, Village President

Coffee with the Mayor & Board

Coffee with the Mayor & Board is held on the first Saturday of each month* from 10:00 am to noon at the Center for Senior Citizens. **The next Coffee with the Mayor & Board is scheduled for November 1; There is no Coffee in December.** If you are unable to attend and have a comment, suggestion or question, please call the Mayor's Office at 630.909.5303.

Congratulations to the Glenside Public Library District on Earning their Earth Flag

The Village of Glendale Heights would like to congratulate the Glenside Public Library District on earning their Earth Flag which was recently presented by S.C.A.R.C.E. The Glenside Public Library District has made numerous steps in ensuring their facility remains a "green space". Just a few of their green practices include battery recycling, the reduction of paper consumption and motion sensing lights. Congratulations to the Glenside Public Library District on this great honor!

Christmas Sharing

Spread holiday cheer to individuals and families financially unable to purchase gifts or a holiday meal for their family. The Village of Glendale Heights Christmas Sharing Committee is in need of your help! Tree gift tags listing wished for items will be decorating trees located on the 1st floors of the Civic Center Complex, the Sports Hub and the Senior Center, beginning in November. It is the Committee's goal to have a bare tree for the holiday season, so that all family members pre-registered in the program receive a gift.

Please attach the gift tag to your unwrapped gift donation(s) and return it to the Civic Center or the Center for Senior Citizens on or before December 5th. The Christmas Sharing Committee relies on the continued generosity of the community to help them meet the needs of every family who qualifies for assistance. Please call 630.260.6000, or Debbie McKenzie at 630.260.6050 for further information about Christmas Sharing donations, and how you may "adopt a family."

Sending Cheer to Military Overseas

While writing your greeting cards to friends and relatives, please remember our military personnel who are serving our country during the holidays. The Village is collecting holiday greeting cards and will mail them in time for a holiday delivery.

Please drop off your greeting cards to Village Hall by December 2nd. Please do not decorate cards with glitter or add personal information to cards. For more information, call 630.909.5327.

Holiday Happenings at the Sports Hub

Cards and Cookies (Ages 6-10)

Saturday, December 13 • 1:00 pm - 2:30 pm • \$20/\$25

Join us for St. Nicholas Day and learn about this historic figure by making Christmas cards, enjoying yummy cookies and designing a keepsake ornament. Be sure to leave your shoes at the door because St. Nicholas might just leave a treat!

Santa's Secret Helper (Ages 6-10)

Monday, December 22 • 6:30 pm - 10:00 pm • \$20/\$25

The holidays get busy for everyone, and the Hub is here to help! Your children can enjoy some quality holiday time at the Hub while you help Santa finish his last-minute errands. Pizza, snacks, crafts and games in the spirit of the season will keep participants jolly. This is an excellent program for parents who need an extension on the PATH day off trip. Parents can pick up participants at any time between 8:00 pm and 10:00 pm.

New Years Eve Indoor Camping Extravaganza! (Ages 5-14)

Wednesday, December 31 • 6:30 pm - 11:30 pm • \$30/\$35

Mom and Dad can have some dinner time on New Year's Eve while the Sports Hub hosts its very first indoor camping party! We will camp out in the field house where there are no grass allergens, no mosquitoes and no rain outs! Enjoy basketball, movies and video games. We'll have our own countdown at 11:00 pm, along with New York City, so everyone can ring in the New Year! Pizza, pop and popcorn will be served.

Pre-Season Basketball Camp (Grades 1-8)

Camp covers the basics before the Youth Basketball League begins with some of our program's experienced coaches and staff! Course will prepare players for the 2014-15 Glendale Heights Youth Basketball League. Each section will focus on age-appropriate skills. This is a great way to determine if basketball fits your child's interests and to enhance their skills in dribbling, passing and shooting.

After what seems like a very short summer, the Fleets Division will begin the process of converting all of the heavy equipment to snow removal and salting capabilities. The Village has 9 heavy duty dump trucks that will be converted to salting/plow trucks for the snow routes, as well as utilizing pick-ups trucks. Fleets Division is instrumental in setting up and maintaining all the snow fighting equipment to allow the Village to quickly and efficiently clear the streets of snow and ice and to keep the streets of Glendale Heights clean and safe for our residents.

Winterizing Fire Hydrants

The Utilities Division will finalize its annual fire hydrant flushing in early October and is performed each year to remove stagnant water that maybe trapped within the water distribution system at various locations, such as dead ends, cul-de-sacs and areas of the Village that do not have a high water usage. Additionally, the Utilities Division will start field verifying the location of water mains, valves, and fire hydrants. This information will be used to improve efficiency when responding to emergencies and for inclusion into the GIS to keep infrastructure details accurate and reliable.

Finally, the Utilities Division has been very successful in the completion of two capital projects over this construction season. The first is the retrofit of Lift Station #10 located at 801 Regency Drive. The improvements at this facility will help reduce energy costs, reduce confined space entries for Village staff and reduce maintenance that was required when the old lift station was in service.

The second improvement is the renovation to the Glen Ellyn Road Water Tower. This involved several upgrades to the water tower to bring this asset into compliance with OSHA standard. In addition, a new coating system and mixer will also be a part of this renovation to improve water quality. The improvements to the Village's infrastructure demonstrates the boards commitment in improving essential equipment and services that serve all Village residents and customers.

In-House Street Sweeping to Continue through November

To enable an efficient and effective street sweeping schedule, the Village has been divided into four zones. Parking on streets will be prohibited during the months of April, May, October and November between 8:00 am and 4:00 pm one specific day each week in each zone. Color coded "No Parking" signs have been posted throughout the Village.

Red Zone - All village streets north of the Canadian National Railway line to the northern boundaries of the village. No Parking on Mondays, 8:00 am to 4:00 pm.

Blue Zone - All village streets west of Bloomingdale Road to the western boundaries of the village and north of Fullerton Avenue to the Canadian National Railway line, and on all village streets west of President Street to the western boundaries of the village and from Golfview Drive north to Fullerton Avenue. No Parking on Tuesdays, 8:00 am to 4:00 pm.

Green Zone - All village streets east of Bloomingdale Road to the eastern boundaries of the village and from the Canadian National Railway line south to North Avenue. No Parking on Wednesdays 8:00 am to 4:00 pm.

Brown Zone - All village streets south of North Avenue to the southern boundaries of the village, all village streets west of Bloomingdale Road to President Street and from Armitage Avenue north to Fullerton Avenue, and all village streets west of President Street to Schmale Road and West Lake Drive south to North Avenue. No Parking on Fridays, 8:00 am to 4:00 pm.

For any questions or concerns you may have regarding the Street Sweeping Program, please contact Public Services at 630.260.6040 or by email at publicservices@glendaleheights.org.

Parking Regulations

The Glendale Heights Police Department would like to remind residents of a few parking regulations within the Village.

Parking on Sidewalks

Within any sidewalk area, residents may park, on an owner's driveway or across the sidewalk between the hours of 10:00 p.m. and 7:00 a.m. or within 24 hours after a snowfall of 1 inch or more has occurred from November 1st through March 31st."

Snowfall Parking

- There is no parking allowed on Village streets designated as a snow route for 24 hours after a snowfall of 1" or more
- There is no parking allowed on any Village street for 24 hours after a snowfall of 2" or more
- There is no parking allowed on any Village street for 72 hours after a snowfall of 5" or more.

Should you need additional information or clarification regarding the above regulations, please contact the Glendale Heights Police Department non-emergency number at 630.260.6070.

Warming Shelter

The Glendale Heights Police Department is asking residents to please check on their relatives and friends to assure they are not in need of assistance due to the extreme weather conditions. Glendale Heights has a warming shelter in place and is ready to assist the needs of our residents should the need arise. For information call the Glendale Heights Police Department's, non-emergency number 630.260.6070. As a reminder, in ANY emergency you should always call 9-1-1 for immediate assistance.

During periods of extreme weather, the police department will activate our Senior Call list to check on senior citizens. Seniors or their family members may ask to be placed on this list by picking up a form from the Glendale Heights Center for Senior Citizens or contacting the Glendale Heights Center for Senior Citizens at 630.260.6050.

Stay Safe While Holiday Shopping

Though most people are full of the holiday spirit and goodwill this time of year, criminals look for the opportunity to take advantage. The Glendale Heights Police Department offers these holiday shopping safety reminders:

- ☑ Use the buddy system and shop with a friend. You are more likely to become a target if you are alone.
- Park your car in a well-lit area and keep track of where it's parked. This will get you in your car and on your way faster.
- Check the back seat before getting back in your car. Carry your keys in your hand while you are walking toward your vehicle, and pick a parking space that's easy to back out of so that you can leave the parking lot quickly.
- Stay alert while you are walking to your car. Talking or texting on your phone or digging in your purse for your keys is a distraction and makes you an easy target.
- Wear your purse across the body to keep your hands free for your keys, both when heading to your car and into your home.
- Hide purchases from view in your parked car to prevent break-ins.
- Be careful what you post online. Don't alert others that you aren't at home.
- Lock your car doors.

**DON'T LET

CRIMEstoppers

Reporting crimes anonymously can be as easy as sending an e-mail, text message or dialing a call center. Anyone with information about a crime is asked to call Crime Stoppers at 800.222.TIPS. Callers may remain anonymous.

The Glendale Heights Police Department, along with many other Law Enforcement agencies throughout DuPage County, relies on DuPage County Crime Stoppers for tips about criminal activities. Crime Stoppers is separate from an emergency 9-1-1 call. Crime Stoppers allows a member of the community to anonymously give information about criminal activities that they have witnessed. Callers are given a code number instead of being asked for their name. The calls are not traced or recorded. Note: Law Enforcement encourages the community to call 9-1-1 if they witness a crime in progress.

The 12 Days of Holiday Fire Safety

- DAY 1** Water fresh trees daily.
- DAY 2** Check all sets of lights before decorating.
- DAY 3** Make sure you have working smoke alarms. Remember, they wear out, so replace them every 10 years.
- DAY 4** Make sure you have working carbon monoxide alarms. Remember, they wear out so replace them every 7-10 years, depending on the manufacturer.
- DAY 5** Make sure everyone knows how to get out safely if a fire occurs. Practice a fire escape plan.
- DAY 6** Use extension cords wisely. Make sure they never go under a rug.
- DAY 7** Give space heaters space. Keep them 1 meter (3 feet) away from anything that can burn.
- DAY 8** When you go out, blow out! Blow out all candles before leaving a room or going to bed.
- DAY 9** Keep matches and lighters out of the sight and reach of children.
- DAY 10** Watch what you heat! Stay alert when cooking.
- DAY 11** Encourage smokers to smoke outside.
- DAY 12** There's more to responsible drinking than taking a cab home. Alcohol is a common factor in many fatal fires.

Electric Aggregation Program Update

In 2012, Village residents voted to approve an electric aggregation program for our community. The goal of the electric aggregation program was to provide electric to our residents at a lower cost than the rates charged by Commonwealth Edison (ComEd). Not only was the program itself extremely successful resulting in savings Village-wide of \$1 million dollars over the contract term, but also supported the environment with 100% renewable green energy produced from such sources as wind, solar and hydro power.

The term of our current aggregation agreement will expire in January 2015. While the Village did attempt to obtain lower pricing through a competitive bidding process to continue the aggregation program, the actual cost of electric has increased above the current ComEd rates. Thus, the Village will suspend the aggregation program and monitor the electric market and may possibly renew the program at a later date. The current rate at 7.43¢/kWh will still be below the rates prior to the aggregation program when the ComEd rate was at 9¢/kWh.

As part of the aggregation changes, participants in the Village's program will receive two notices, likely in early December. One from FirstEnergy informing of the program term expiration, and the second from ComEd confirming the switch from FirstEnergy back to ComEd.

If you are a participating resident or small business in the Village electrical aggregation program, you will have the following options:

1. Do nothing and you will be moved to ComEd supply service. Residents enrolled in the Village's program will receive a ComEd "Confirmation of Drop" notice stating their supply service will be switched back to ComEd.
2. Visit www.pluginillinois.org and view options for comparing prices and terms between other suppliers in ComEd territory. Again, carefully review details for any floating rates, early termination fees and other terms.

Residents should beware of door-to-door solicitors, direct callers or direct mail pieces regarding electric supply and are advised to carefully review contract terms for floating rates or early termination fees. It is recommended ratepayers never release their account number to a solicitor under any circumstance, unless they have decided to move to that supplier.

Residents with questions about the program or ComEd rates are invited to call the Village's consultant, NIMEC at 800.727.3820. (When calling NIMEC, please leave your call back number and you will be contacted within 24 hours.)

Refuse/Recycling Holiday Collections

In observance of Thanksgiving & Christmas, refuse and recycling collections are delayed by one day, in accordance with regular collection schedules.

Thanksgiving Holiday - Thursday pickup will occur on Friday, November 28. (Both sides of Bloomingdale Rd and all streets west of Bloomingdale Rd)

Friday pickup will occur on Saturday, November 29. (All streets east of Bloomingdale Rd)

Christmas Holiday - Thursday pickup will occur on Friday, December 26. (Both sides of Bloomingdale Rd and all streets west of Bloomingdale Rd)

Friday pickup will occur on Saturday, December 27. (All streets east of Bloomingdale Rd)

Yard Waste Collections

There will be no yard waste pickup from December - March. The last yard waste collection is scheduled during route pick-ups. Thursday routes are Friday, November 28; Friday Routes are Saturday, November 29

Yard waste such as leaves, grass clippings, twigs, branches, brush and other plant material are collected from single-family residences on the same day as solid waste and recycling between the months of April and November.

For service related questions, please contact Republic Services at 847.981.0091.

Important Water Meter Notice

As the water meter installed in your home ages, the battery providing the necessary power to signal your usage is reaching its end of use. This makes it difficult to get an accurate read on the meter and in turn, creates an estimated read.

When the Village identifies your bill as estimated, a notice is mailed to your home requesting you to schedule an appointment for your meter to be serviced. To determine if it is an estimate, look at the amount listed for your "Current Read" on your water bill. If an "E" is displayed next to the number, your water bill is being estimated.

Example:

Meter No. 14029999
Current Read 283 E
Previous Read 281
Consumption..... 2 TGAL

This is an indication a problem with your water meter has occurred and service is required. To avoid errors in the amount billed to your account, it is important you contact Water Billing at 630.260.6010 to schedule a free meter service call.

Business License Renewal

The Office of Administrative Services reminds businesses that the deadline for renewing their annual Village Business License is December 31, 2014. A Business License Renewal form, inclusive of information regarding your business will be mailed early November to the business addresses on file. Upon receipt, please carefully review, complete as needed, and return the form with payment by the due date to the *Village of Glendale Heights, Attn: Business Licenses*. If you have not received your Business License Renewal form by November 30 or have further questions regarding the renewal process, please contact Administrative Services at 630.260.6000.
