VILLAGE FOR ALL PEOPLE

VILLAGE NEWS

November/December 2015

Glendale Heights, Illinois

Linda Jackson, Mayor

Tree Lighting Ceremony

November 30 • 7:00 pm • Village Hall Front Plaza

The Village of Glendale Heights invites all residents to participate in the Tree Lighting Ceremony. Holiday decor and lights will decorate the Civic Center Campus. Enjoy the sounds of the holidays through the performance of Glendale Heights' choral groups and share the holiday spirit as Mayor Linda Jackson and special guest Santa Claus illuminate the Civic Center Complex with just a flick of the switch! Then be sure to stop by the Center for Senior Citizens after the ceremony to warm up with free refreshments.

Victorian Christmas

December 7 • 6:30 pm - 8:30 pm

Visit the Historic House at 311 Windy Point Drive and experience what a "Victorian Christmas" might have been like 100 years ago!

Admission is free and refreshments will be served. Tours of the home will be offered and children will have the opportunity to make a Victorian decoration to take home.

Breakfast with Santa

December 12 • 9:00 am - 11:30 am

Glendale Lakes Golf Club

Come visit Santa Claus and tell him what is on your wish list while having an all-you-can-eat pancake breakfast. The price of an adult breakfast is \$5 and a children's breakfast is \$3. Photos with Mr. & Mrs. Claus are \$2.

No registration is required and the event fee is paid at the door.

Veterans Day

**November 11 • 11:00 am
Veterans Memorial Park**

A ceremony will be held at Veterans Memorial Park, 220 Civic Center Plaza at 11:00 am on Veterans Day. The event includes a flag and color guard presentation, rifle salute and a tribute to our fallen warriors.

Village of Glendale Heights offices will be closed on Wednesday, November 11 as we honor all military personnel, past and present.

For more information, please call the Mayor's Office at 630.909.5303.

Letter from the Village President

300 Civic Center Plaza • Glendale Heights, IL 60139
630.909.5303 • ljackson@glendaleheights.org

Dear Residents,

Greetings! In accordance with the recovering economic conditions, I am happy to report that it was a very good year for development in Glendale Heights. We continue to see both new investment and reinvestment with businesses and residents. To better help serve our community, Adventist GlenOaks Hospital, recently renamed to AMITA Health Adventist Medical Center, GlenOaks, continued to undergo major improvements to our local hospital. In addition, Shell Gas Station will soon be constructed on the corner of Bloomingdale Road and Army Trail Road, and Bucky's Gas Station is underway with their construction on North Avenue. I'm also excited to report that early next year, we will welcome Art Van Furniture Store that is currently renovating the former Sports Authority on Army Trail Road.

The holidays are one of my favorite times of the year. We will begin the season by remembering our many brave men and women who served our great country by honoring Veterans Day on November 11th at 11:00 am at Veterans Memorial Park. We will also be collecting holiday cards for military personnel throughout our facilities on the Civic Center Campus through December 3rd. It is a simple way to remember all of those who are serving our country and thanking them for their service.

I invite everyone to show your holiday spirit on Monday, November 30th at the annual Tree Lighting Ceremony that will begin at 7:00 pm at the front steps of Village Hall. I, along with your Village Board of Trustees, will honor our special guests, Mr. and Mrs. Claus, who will be illuminating the Civic Center Campus with just a flick of Santa's magical light switch. We will also be hosting the Victorian Christmas on Monday, December 7th at the Historic House located at 311 Windy Point Drive beginning at 7:00 pm. Don't miss these opportunities to meet your neighbors and get in the holiday spirit with Christmas Carolers. To finish off the holiday season, we will be having Breakfast with Santa on Saturday, December 12th at Glendale Lakes Golf Club beginning at 9:00 am where you will have one last chance to tell Santa what is on your wish list!

On behalf of the entire Village Board, we would like to wish you and your family a wonderful holiday season, and a healthy, happy and prosperous New Year!

Sincerely,

Linda Jackson, Village President

Coffee with the Mayor & Board

Coffee with the Mayor & Board is held on the first Saturday of each month* from 10:00 am to noon at the Center for Senior Citizens. **The next Coffee with the Mayor & Board is scheduled for November 7th and December 5th.** If you are unable to attend and have a comment, suggestion or question, please call the Mayor's Office at 630.909.5303.

Christmas Sharing

Spread holiday cheer to individuals and families financially unable to purchase gifts or a holiday meal for their family this season. The Village of Glendale Heights Christmas Sharing Committee is in need of your help! Tree gift tags listing wished for items will be decorating trees located on the 1st floors of the Civic Center Complex, the Sports Hub and the Senior Center, beginning in November. It is the Committee's goal to have a bare tree for the holiday season, so that all family members pre-registered in the program receive a gift.

Please attach the gift tag to your unwrapped gift donation(s) and return it to the Civic Center or the Center for Senior Citizens on or before December 4th. The Christmas Sharing Committee relies on the continued generosity of the community to help them meet the needs of every family who qualifies for assistance. Please call 630.260.6000, or Debbie McKenzie at 630.260.6050 for further information about Christmas Sharing donations, and how you may "adopt a family."

Sending Cheer to Military Personnel

While writing your greeting cards to friends and relatives, please remember our military personnel who are serving our country during the holidays.

The Village is collecting holiday greeting cards and will mail them in time for a holiday delivery. Please drop off your greeting cards to Village Hall by December 3rd. Please do not decorate cards with glitter or add personal or social media information to cards. Also, do not include envelopes with cards. For more information, call 630.909.5327.

SCARCE Tips on Saving Energy

SCARCE is a non-profit agency that has been educating and inspiring DuPage County residents to care for the earth for 25 years. SCARCE can now help residents save money on their energy bills and become more comfortable in their homes through our new energy efficiency program. Our goal is to help you save money and resources through smarter energy use.

You may have noticed ComEd has installed new Smart Meters in Glendale Heights. These new meters give consumers hourly information about their home energy use and can alert you to power outages in your neighborhood. You can also take advantage of the free Peak Time Savings program to earn additional credits on your electric bill during the winter simply by reducing your energy use during peak hours.

Here are a few quick tips on saving energy:

- Shift energy use to early morning or evenings for cleaner power and to protect air quality
- Don't replace those windows – consider adding insulation and air sealing to your home for energy efficiency at a much lower cost
- Set your thermostat 10-15 degrees lower at night and when away from home during the winter to save up to 10% on energy costs

For more information on energy conservation, contact Carrie Horak at 630.991.0593 or carrie@scarce.org, or visit www.scarce.org.

Volunteer Initiative Program (VIP)

Volunteers have long been an invaluable resource to our community, and every minute of their dedication counts! However, changing workforce demographics and busy schedules requires a change in the way we think about volunteerism. The Mayor's office launched a volunteer initiative program (VIP) to revamp our connections with community volunteers and promote new ways of enhancing the volunteer experience for all ages. The goal of the VIP program is to provide varied and flexible opportunities designed with the busy household in mind.

Whether you are interested in giving an hour or seeking a long-term volunteer experience, we will work closely with you to find a match to your interests. To get started, contact us at volunteer@glendaleheights.org, contact Nicole Lewis at 630.909.5327, or submit a VIP Volunteer Interest Form.

Village Fleets Prep For Winter

The Fleets Division has prepared the snow and ice equipment for the winter season. Plows and salting equipment have been installed and tested. The Fleets Division takes great pride in assuring all snow removal equipment is ready to perform the task of keeping the streets and walkways free of snow and ice. It is the goal of the Fleets Division to calibrate each truck to put down enough salt to melt snow and ice, but not overly salt in order to preserve the environment. Please remember to keep a safe distance between you and the snow removal equipment. Plow trucks are considered emergency equipment and have the right of way on our roads.

Utilities Division

The Utilities Division has been successful in the completion of a major capital project over this construction season. This was the installation of new water main, fire hydrants, isolation valves and service valves on Pleasant and Darlene Lanes. This new water main and appurtenances were a part of this year's Community Development Block Grant (CDBG).

Additionally, a second capital project will be undertaken over the coming months to the sanitary sewer lift station located at 521 North Avenue. This project will involve the installation of submersible pumps and is designed to better serve the Village. Improvements at this facility will help reduce energy costs, reduce confined space entries for Village staff and reduce maintenance costs.

Village Engineering

This year, the Village completed two major road projects overseen by the Engineering Division. The 2015 Motor Fuel Tax (MFT) Road Program reconstructed and repaired roads in the Village on various streets. In addition, the MFT Road Program includes the replacement of sidewalk, curb and driveway aprons.

The other major road project was a reconstruction of Darlene Lane and Pleasant Avenue, with the total replacement of the curb, driveway aprons, and sidewalk in need of repair. As part of this project, Lynn Court also received upgraded street lighting.

Staff will spend the winter months working on Engineering projects for the spring and selecting roads for next year's road program. They also upheld all local, state and federal mandates, including storm water management compliance on new construction sites and ensured projects complied with Village Code.

Water Pollution Control Facility

The Village recently entered into an agreement with the IEPA and DuPage River Salt Creek Work Group to help mitigate the effects of Phosphorus discharged to receiving streams. This agreement consists of stream modifications that help reduce the impact of Phosphorus discharges and improve aquatic life and naturalize the stream corridor. Projects are scheduled for the East and West Branch of the DuPage River as well as Salt Creek. The projects are to be completed by 2023.

In-House Street Sweeping to Continue through November

The in-house Street Sweeping has commenced on a weekly basis for all sweeping zones. The program began on October 2, 2015 and will continue through the month of November, weather permitting. In order to collect the volume of fall leaves the Village street sweeper is supplemented by contracted sweepers.

There are color coded no-parking signs erected in each zone to indicate the day of the week that parking restrictions are in effect. Please assist us and remove all vehicles from the roadway on the designated day of the week between the hours of 8:00 am and 4:00 pm. This will aid in the efficient sweeping of each zone.

The Street Division has prepared the fleet of snow and ice fighting equipment for the Winter season.

You may contact the Street Division at 630.260.6040 for any questions or concerns related to the services that the Street Division provides or visit www.glendaleheights.org/Public_Works/streetdivision.

Winter Parking

The Glendale Heights Police Department would like to remind residents of a few parking regulations within the Village.

Parking on Sidewalks

Within any sidewalk area, residents may park on an owner's driveway or across the sidewalk between the hours of 10:00 p.m. and 7:00 a.m. or within 24 hours after a snowfall of 1 inch or more has occurred from November 1st through March 31st.

Snowfall Parking

- There is no parking allowed on Village streets designated as a snow route for 24 hours after a snowfall of 1" or more
- There is no parking allowed on any Village street for 24 hours after a snowfall of 2" or more
- There is no parking allowed on any Village street for 72 hours after a snowfall of 5" or more.

Should you need additional information or clarification regarding the above regulations, please contact the Glendale Heights Police Department non-emergency number at 630.260.6070.

Project Blue Light

Project Blue Light is a simple gesture. The color blue is symbolic of peace. The Village of Glendale Heights is asking residents to consider decorating at least one piece of your landscape or one window with blue lights during the holiday season. By displaying your blue lights, you will be sending a dual message: that you support America's peacemakers and that you hope the coming year will be a year of peace.

Project Blue Light began during the holiday season in 1988 when Mrs. Dolly Craig of Philadelphia, PA wrote to Concerns of Police Survivors (C.O.P.S.) that she would be putting two blue candles in her living room that holiday season. One for her son-in-law, Daniel Gleason, who had been killed in the line of duty on June 5, 1986, while serving the Philadelphia Police Department, and the other for her daughter, Danny's wife, Pam, who was killed in an automobile accident in August 1988. Danny and Pam had six children. COPS adopted this idea as a way that everyone could honor the officers who serve and protect us while remembering those who have been killed in the line of duty. Project Blue Light now burns bright in the hearts of many of the nearly 15,000 surviving families of America's fallen law enforcement officers during the holiday season and throughout the year.

Since Project Blue Light was introduced, it has been embraced by many law enforcement organizations and their families. Please show your support for law enforcement officers who serve and protect every day of the year with a blue light this holiday season.

For more information about the National Concerns of Police Survivors, Inc., visit the National C.O.P.S. website at www.nationalcops.org.

Holiday Safety Tips:

As the holiday shopping season is upon us, please take time to ensure you have a safe and happy holiday season. As you find time to shop, please be mindful of the following safety tips:

- Be aware of your surroundings. Look for suspicious persons, etc. when you are in any area.
- If shopping late in the day or after dark, park in an area that is well lit.
- Don't leave cell phones, purses, or any other item of value in your parked car where they can be seen. Always conceal these items.

Keep the Wreath Red

Each year during the holiday season, the Glenside and Bloomingdale Fire Protection Districts participate in the statewide "Keep the Wreath Red" program. The program starts when the Fire District illuminates a Christmas wreath with all red bulbs on the fire station. During the holiday season, if there are any fires related to decorations, a white bulb will replace a red bulb on the wreath. We ask everyone in the community to help "Keep the Wreath Red" by keeping some important safety tips in mind this holiday season.

- If you use a live tree, be sure to choose a fresh tree that is not shedding needles and keep it well watered.
- Make sure Christmas and Hanukkah lights are labeled by a testing laboratory. Replace any worn sets or those with loose connections. Outside, use lights labeled for outdoor lighting. Always unplug everything before going to bed or leaving home.
- Do not use candles in decorations or displays. Keep them away from curtains or other combustible materials and never put them in windows or near exits. Keep candles out of the reach of small children.

Bravest vs. Finest Charity Basketball Game

Saturday, November 7 • Noon • Sports Hub

1 Ticket - \$1

6 Tickets - \$5

30 Tickets - \$20

Cheer on the Glendale Heights Police Department and the Glenside and Bloomingdale Fire Protection Districts as they face off at the 3rd annual Bravest Versus Finest Charity Basketball Game. Tickets are available at the Glendale Heights Police Department and the Glenside Fire Protection District. All tickets purchased will give you the opportunity to win several raffle prizes throughout the event. Proceeds will benefit several worthwhile charities. If you have any questions, please contact the Glendale Heights Police Department's non-emergency number at 630.260.6070.

Fake IRS Scammers

Tax season may be over, but scammers posing as IRS officials continue to call, saying people owe taxes and better pay up. They threaten to arrest or deport people, revoke a license, or even shut down a business. How do they do it? By rigging caller ID information to appear as if the IRS is calling, and sometimes even making a follow-up call claiming to be the police. Glendale Heights Residents have recently received calls from 804.916.8700, which is a scammer attempting to gain your personal information.

To protect yourself from imposters who call, claiming to be from the IRS:

- Don't provide any account or other personal information. Hang up the phone.
- Never wire money or credit card information to a person or company you don't know. Once you provide the information, you can't get the money back.
- If you owe - or think you owe - federal taxes, call the IRS at 800.829.1040. IRS workers can help you with your payment questions. You also can visit the IRS web-site at www.irs.gov.
- If you've already paid your taxes, call and report the incident to the Treasury Inspector General for Tax Information TIGTA at 800.366.4484.
- Forward emails from the IRS to phish-ing@irs.gov.
- File a complaint with the Federal Trade Commission at www.ftc.gov/complaint.

If you have any further questions or concerns please call the Glendale Heights Police Department at 630.260.6070 or if it is an emergency situation dial 911.

Lock it or Lose it

With the cold temperatures approaching, some residents find it convenient to go out and start their vehicles to allow them to warm up, or they leave their vehicles running while they run into the convenience store for that cup of coffee. No one likes to get into a cold car. However, most vehicle thefts are crimes of opportunity, so don't make it easier for thieves to steal cars. If you must warm up your vehicle, stay with your vehicle. If you are out running errands and run into a store or business, please shut your vehicle off and lock it. Remember it is illegal to leave your vehicle running and unattended.

During periods of extreme weather, the police department will activate our Senior Call list to check on senior citizens. Seniors or their family members may ask to be placed on this list by picking up a form from the Glendale Heights Center for Senior Citizens or contacting the Glendale Heights Center for Senior Citizens at 630.260.6050.

Yard Waste Collections

There will be no yard waste pick-up from December - March. The last yard waste collection is scheduled during route pick-ups, following Republic Services' Holiday Pick-up Schedule for the Thanksgiving Day Holiday.

Yard waste such as leaves, grass clippings, twigs, branches, brush and other plant material are collected from single-family residences on the same day as solid waste and recycling between the months of April and November.

For service related questions, please contact Republic Services at 847.981.0091.

Important Water Meter Notice

As the water meter installed in your home ages, the battery providing the necessary power to signal your usage is reaching its end of use. This makes it difficult to get an accurate read on the meter and in turn, creates an estimated read.

When the Village identifies your bill as estimated, a notice is mailed to your home requesting you to schedule an appointment for your meter to be serviced. To determine if it is an estimate, look at the amount listed for your "Current Read" on your water bill. If an "E" is displayed next to the number, your water bill is being estimated.

Example:

Meter No.	14029999
Current Read	283 E
Previous Read	281
Consumption.....	2 TGAL

This is an indication a problem with your water meter has occurred and service is required. To avoid errors in the amount billed to your account, it is important you contact Water Billing at 630.260.6010 to schedule a free meter service call.

Business License Renewal

The Office of Administrative Services reminds businesses that the deadline for renewing their annual Village Business License is December 31, 2015.

A Business License Renewal form, inclusive of information regarding your business will be mailed early November to the business addresses on file. Upon receipt, please carefully review, complete as needed, and return the form with payment by the due date to the Village of Glendale Heights, Attn: Business Licenses. If you have not received your Business License Renewal form by November 30th or have further questions regarding the renewal process, please contact Administrative Services at 630.260.6000.
