# Letter from the Village President

Dear Residents,

The summer has quickly come and gone, and fall is upon us. It seems like it was just yesterday we were celebrating Glendale Heights Fest and all of our fun summer events. The summer was an extremely busy season with some of our best participant numbers for our PATH Summer Camps and at GH<sub>2</sub>O Aquatic Center. Providing fun recreational activities for all ages is so important to building a community, and I loved seeing many smiling faces at all of our events throughout the summer.

As school gets back into session, it's so very important we remember to be alert to children who are on their way to school. I encourage everyone to slow down, and keep your eyes on the road especially during the morning and afternoon hours when children will be on their way to and from school.

Glendale Heights celebrates the fall season just as much as we celebrate the summer with numerous events throughout September and October. We look forward to the return of Glendale Heights Oktoberfest from September 15<sup>th</sup>-25<sup>th</sup> with authentic German food, entertainment and activities for the whole family. Chef Wolfgang of Schnitzel Platz Restaurant and all of his staff will be busy cooking up delicious food as we celebrate Oktoberfest!

On Sunday, September 18<sup>th</sup> at Camera Park, come on out for the 34<sup>th</sup> annual Show & Shine Car Show and Swap Meet to see some classic cars. From old antiques to current day sport cars, the Show and Shine Car Show and Swap Meet has it all! We will also be hosting Harvest Fest on Saturday, October 1<sup>st</sup> along with the rescheduled Hartigan-Pelletier Fishing Derby at Heritage Park. For this year, the Fishing Derby has been named the Hartigan-Pelletier Fishing Derby in honor of former Glendale Heights Police Sergeant Mark Hartigan and Glenside Fire Protection District Fireman Jerry Pelletier who both recently passed. On Wednesday, October 5<sup>th</sup>, stop by the Sports Hub for the 20<sup>th</sup> annual Family Health and Safety Fair where you can get your flu shot, receive health screenings and visit the very popular Teddy Bear Clinic! To round out the month of October, mark your calendars for the Scary Movie Night on Friday, October 21<sup>st</sup>, Hallow-Tween on Friday, October 28<sup>th</sup> and Safety Town Halloween on Monday, October 31<sup>st</sup>!

On September 11<sup>th</sup>, 2016, we will be remembering 15 years since the 911 tragedy. Throughout the year, I have the privilege of meeting so many young boys and girls who can only learn about what happened in text books and from their parents and teachers. Like many of you, I will never forget exactly where I was on this day, and the effect it had on me and my family, the community and our nation. I encourage everyone to come to Village Hall on Sunday, September 11<sup>th</sup> at 7:15 pm to honor Patriot Day as we remember those we lost.

If you have any questions, comments or concerns, please do not hesitate to contact me during regular office hours at 630.909.5303 or send me an email at [ljackson@glendaleheights.org](mailto:ljackson@glendaleheights.org). I also invite you for coffee at the Center for Senior Citizens with myself and the Village Board of Trustees on the first Saturday of each month. I hope everyone has a great fall and I look forward to seeing you soon!

Sincerely,

Linda Jackson, Village President

## Winter Prep on Your Vehicle

Beginning in mid-September, the Fleets Division will be preparing vehicles and equipment for snow removal operations. By the end of October, the division will start the seasonal decommissioning and storage of the equipment used solely during the spring and summer season. It is always a good idea to perform some form of Winter preparation on your personal vehicles. The Village's Fleets Division recommends doing the following before the cold season arrives:

- **Consider having your engine oil and filter changed and vital fluids checked.** A good recommendation is to have the transmission oil changed every 50,000 miles along with the filter.
- **Make sure you have a winter blend of windshield washer fluid that will not freeze in cold weather.** Keep a bottle of windshield washer fluid in the trunk as well. With winter weather, you will consume more washer fluid. Be sure to have good winter wiper blades properly installed.
- **Have your battery and charging system inspected.** With colder weather, the electrical system will be less efficient.
- **Hope for the best and prepare for the worst.** Even the best prepared vehicles can break down and being prepared will keep you warm and safe until help arrives.

## In-House Street Sweeping

The In-House Street Sweeping program begins on a weekly basis for all Sweeping Zones starting Monday, October 3<sup>rd</sup> through the month of November, weather permitting. The Village street sweeper will be aided by supplemental contracted sweepers to complete all zones each week.

There are color coded "No-Parking" signs erected in each zone to indicate the day that the parking restrictions are in effect. Please remove all vehicles from the roadway on the Sweeping Zones designated day of the week between the hours of 8:00 am and 4:00 pm. This will aid the Village in efficiently street sweeping each of the zones. For more information on the Street Sweeping program, please visit [www.glendaleheights.org](http://www.glendaleheights.org).

## Fire Hydrant Flushing

The Utilities Division will begin their fire hydrant flushing program in October. Customarily this has been undertaken in the spring and early summer months. Flushing in the fall season reduces the peak daily flows as the summer months demand higher volumes of water use due to lawn irrigation and other outdoor activities.

The Utilities Division is dedicated to providing the highest quality potable water as well as conserving this precious natural resource. The annual flushing of the water distribution system may remove stagnant water that is trapped within the water distribution system at various locations such as dead ends, cul-de-sacs and areas of the Village that do not have a high water usage. In addition to flushing the fire hydrants, Utilities staff also perform a thorough inspection of each fire hydrant. Any operations or maintenance issues noted are logged in a data base and corrected in a timely manner. This annual maintenance program ensures proper operating fire hydrants in times of emergencies.

If you should have any questions regarding the flushing program or when you can expect the fire hydrants in your neighborhood to be flushed, please contact Public Works at 630.260.6040.

## Village Engineering Update

This year, the Village completed a major road project using a Community Development Block Grant (CDBG). This road reconstruction uses, in part, grant money administered by DuPage County. This year the CDBG road project involved the reconstruction of Fullerton Avenue. This included replacement of curb, sidewalk and driveways in need of repair.

Staff also upheld all local, state and federal mandates, including storm water management compliance to new construction sites and ensured projects complied with Village Code.

## HALLOWEEN SAFETY

Halloween is one of the most anticipated nights of the year for kids, but Safe Kids recently discovered some scary statistics with a first-of-its kind study on Halloween safety.

Only **1/3 OF PARENTS** talk to their kids annually about Halloween, although 3/4 report having Halloween safety fears.

On average, **TWICE AS MANY CHILD PEDESTRIANS** are killed while walking on Halloween compared to other days of the year.

Only **18%** of parents use reflective tape on their children's Halloween costumes.

**12%**

of children five years of age or younger are permitted to trick-or-treat alone.

Talk with your goblins about Halloween safety, and how simple precautions can make it a fun and safe night for kids of all ages. For additional safety tips, please visit [SafeKids.org/Halloween](http://SafeKids.org/Halloween)

Children under 12 should trick-or-treat and **CROSS STREETS WITH AN ADULT**

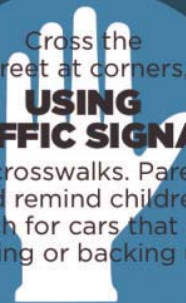

**ALWAYS WALK ON SIDEWALKS OR PATHS**

if there are no sidewalks, walk facing traffic as far to the side as possible.

Cross the street at corners, **USING TRAFFIC SIGNALS**

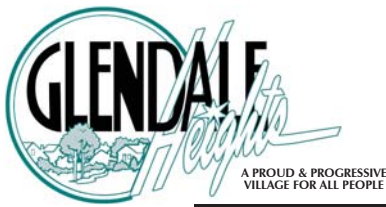

and crosswalks. Parents should remind children to watch for cars that are turning or backing up.

**DRIVERS SHOULD SLOW DOWN**

and be especially alert in residential neighborhoods. Children are excited on Halloween and may move in unpredictable ways.
