Dear Residents,

The summer season is finally here after a long winter, and I am so excited about the upcoming months filled with events, summer camps, parties and more! One of our goals every year is to provide programs and events for people of all ages. From summer barbecues at the Center for Senior Citizens to cheering on the Dolphins Swim Team, we offer an array of activities to make us proud of Glendale Heights!

The GH2O Aquatic Center is primed for another wet and wild season! Purchase your early bird pool pass starting May 1st through May 19th to save on your aquatic center membership. We also have events planned all summer long at the GH2O Aquatic Center from a 4th of July Party to the always popular FlowRider Competition. Our highly trained lifeguards, swim coaches and staff are here to

ensure you make a splash at the GH2O Aquatic Center!

Our award winning PATH summer camp is back for another fun-filled year! Our counselors plan activities Monday through Friday to ensure your children have a fun and safe place to spend the summer. One of the best aspects of our PATH Summer Camp is that swim lessons are scheduled into the curriculum. The theme for camp this year is "Let's Explore!" as we learn about new cultures, foods, music and more!

The Village of Glendale Heights has a wide variety of career opportunities available for the summer. We are always looking for fresh new ideas and faces to join our team. The Village has positions ranging from lifeguards and summer camp staff to seasonal laborers with our Public Works Department, Parks Division and Glendale Lakes Golf Club. Please visit our website at www.glendaleheights.org/HR to see all of our positions available and to download a job application.

I look forward to seeing all of your smiling faces this summer, and please do not hesitate to stop by and say hello! Be on the lookout for your invitation to your local Park Party where your district trustee and I will be ready to have a fun at your summer party! You can also visit us at our monthly Coffee with the Mayor and Village Board on the first Saturday of each month at the Center for Senior Citizens or feel free to call my office anytime at 630.909.5303. Sincerely,

Linda Jackson

Village Vehicle Stickers

The 2018-19 Village vehicle stickers are sold at Village Hall at the Administrative Services counter beginning May 1*. The new vehicle sticker must be displayed by 12:01 am, July 1st, 2018 on the lower right hand corner of the windshield.

Passenger vehicle stickers are \$15, motorcycle tags are \$12, recreational vehicle stickers are \$18, and trucks with B plates are \$25. There is an additional price schedule for trucks based on their individual weights. Qualifying senior citizens receive one sticker at no charge.

Please take note that per Village Ordinance, overnight parking on Village streets is restricted to those vehicles having a valid vehicle sticker.

Sticker Purchase: By Mail

If you bought one or more sticker(s) last year, the Village will mail you a pre-printed renewal application during the first week of May. If you receive a pre-printed renewal application, you'll be able to conveniently purchase your sticker either by mail or at Village Hall. If you have a new license plate, you must include a copy of your license plate registration with your renewal application.

If you have not received a pre-printed form with your vehicle information, you are required to provide proof of your State Vehicle Registration, or proof of address, showing your Glendale Heights address at time of purchase. Failure to provide proof of residency of a Village address will result in sticker costs to be doubled. Adequate proofs of residency include a driver's license, utility bill or lease. Exceptions are made for residents who bring home a business vehicle. Residents are required to bring a letter on company letterhead indicating to whom the vehicle is assigned with resident's home address.

Sticker Purchase: In Person

If you'd rather buy your new sticker(s) in person instead of by mail, or need to provide your proof of residency, you can do so at Village Hall during regular business hours, Monday through Friday, between 8:00 am and 4:30 pm, and Thursday evenings until 7:00 pm. Senior Citizens may obtain their sticker(s) at the Center for Senior Citizens located at 260 Civic Center Plaza. For your convenience, Village Hall will be open on Saturdays in June from 9:00 am to noon.

Flag Day

Thursday, June 14

Flag Day is celebrated on June 14th. In honor of our "Red, White and Blue," the following tips for proudly displaying our U.S. flag are recommended by the National Flag Day Foundation:

- Hoist the flag briskly, and lower it ceremoniously.
- If you display the flag overnight, illuminate it.
- No other flag or pennant should be placed above or at the same level to the right of the U.S. flag.
- Don't allow the flag to touch anything beneath it, including the ground, water or the floor.
- When your flag fades or wears thin (typically after a year) replace it with a new one.
- Remember to dispose of the old flag in the Village's Flag Depository (located at the circular island in front of Village Hall) for proper military disposal.

The Flag Disposal Program was started in 2004 by Village Trustee Chester Pojack. Over 6,000 flags have been collected since the start of the program. For information concerning the Flag Disposal Program, contact Village Trustee Chester Pojack at 630.909.5310.

Water Pollution Control Facility (WPCF)

On Thursday, April 12th, the WPCF hosted G. Stanley Hall School for their annual 5th grade tour. This tour is a very popular event for the students as they learn about the entire water treatment process. They even get an opportunity to look under a microscope at the microorganisms that help process the waste. In addition, students learn that the water discharged into the East Branch of the DuPage River is cleaner than the river water.

Water Conservation

Please remember that water conservation measures will be implemented during the summer months. The following restrictions apply from May 1st through September 30th.

1. Use On Odd Numbered Days: Homeowners/business owners with an odd numbered street address may engage in outdoor water use on odd numbered calendar days between the hours of 6:00 am and 10:00 am, and between the hours of 6:00 pm to 10:00 pm.
2. Use On Even Numbered Days: Homeowners/Business Owners with an even numbered address may engage in outdoor water use on even numbered calendar days between the hours of 6:00 am and 10:00 am, and between the hours of 6:00 pm to 10:00 pm.

Uses Permitted On All Days: Outdoor usage of water will be allowed during all hours on all days, provided that hoses used for outdoor water usage are fitted with automatic shutoff devices.

Village Engineering

The Engineering Division is currently focused on the summer construction period. In part, this involves performing detailed engineering reviews on incoming building applications from private businesses, citizens, and for Village projects. Summer is here and with it, some major road construction projects. This summer, various streets in town are being reconstructed as part of our MFT (Motor Fuel Tax) Road Program. The funding for MFT street improvements comes from money collected statewide as gasoline taxes. The program is administered by the Illinois Department of Transportation.

Construction for Fullerton Avenue is underway. This project involves street improvements and a grind and overlay of fresh asphalt on Fullerton Avenue between Glen Ellyn Road and Bloomingdale Road. Improvements to sanitary sewer, storm sewer, and water mains are also included. Staff upholds all local, state and federal mandates, including storm water management compliance to new construction sites and ensures projects comply with the Village Code.

Village Fleets

With winter in our rear view mirror and summer looming in our windshield, Fleets Division looks forward to warm weather ahead. With the snow and ice equipment stored for the year, it is time to ready the fleet for sidewalk and street repairs as well as all the equipment needed to keep Village parks looking their best.

With the cold weather behind us, do not forget to prepare personal vehicles for family vacation season! Basic maintenance will go far to give you the confidence to hit the open road. Have tires inspected for proper inflation and condition. Have all the fluids inspected and serviced if necessary. Be sure the A/C is working properly, as well as safety equipment, such as lights and windshield wipers.

Volunteers Wanted!

The Village of Glendale Heights is seeking volunteers that wish to be involved in storm drain stenciling. Storm drain stenciling is a fun way to get a group of friends, scouts, club members, neighbors and co-workers together while spending time outside. You can spend as much or as little time as you have. It's so simple and flexible. The Public Works Department supplies everything you need at no charge to you and all we ask is that you fill out a form to tell us the number of drains stenciled, what you found there and how many friends you got together. Drain maps are available.

NATIONAL POLICE WEEK

Sunday, May 13 - Saturday, May 19

In 1962, President Kennedy proclaimed May 15th as National Peace Officers Memorial Day and the calendar week in which May 15th falls, as National Police Week. Established by a joint resolution of Congress in 1962, National Police Week pays special recognition to those law enforcement officers who have lost their lives in the line of duty for the safety and protection of others.

National Police Week 2018 will run from Sunday, May 13th through Saturday, May 19th. To commemorate that week, the Glendale Heights Police Department will be handing out blue ribbons for residents to put on their vehicles as a symbol of respect to those who have laid down their lives in the line of duty and to show support to law enforcement officers protecting our streets. May 15th is National Peace Officers' Memorial Day and we especially hope you display the ribbons on that day as we honor those who have made the ultimate sacrifice. Blue ribbons will be available at the Police Department Records Division beginning May 1st.

Crossing Guard Appreciation Day

Tuesday, May 1st

School Crossing Guards play an important role in the lives of children who walk or bicycle to school. Most notably, they help the students of School Districts 15 and 16 safely cross streets at key locations, working hard to protect our children each and every school day.

These dedicated individuals serve as an integral part of our community in many ways and are often overlooked by the public. Crossing Guards serve to remind motorists to be aware of children in and around school zones and help parents feel more comfortable about their children walking or bicycling to school. They are required to possess a deep sense of responsibility and common sense, have a good rapport with children, and brave extreme weather conditions throughout the school year.

We invite the entire community to recognize the significant contribution of these thirteen individuals on May 1st and to remember their efforts to ensure a safe journey for our school children each day of the school year.

GHPD Juvenile Diversion Program

The Glendale Heights Police Department Diversion Program provides a positive alternative to formal court processing for first time, misdemeanor, juvenile offenders.

The purpose the Diversion Program is to provide youthful offenders with a positive alternative to the court system. Young offenders will participate in structured activities and group interactions which are intended to improve their understanding and perception of the legal system and law enforcement, increase their self-esteem, better methods of communication and improve their decision-making skills. Through structured activities and community service, the program aims to reduce the "repeat offender" rate among these participants.

By providing this opportunity, youth are given the chance to maintain a clean record, while still being held accountable.

For more information contact the Police Departments non-emergency number 630.260.6070. You can also speak with the School Resource Officer at your local school.

From the Detectives

Did you know serial numbers play an important part in an investigation? Serial numbers help streamline investigations for stolen or recovered property and also provide a way to identify property should it be stolen or recovered.

Detectives need serial numbers, owner applied custom numbers, markings or other identifiable information in order to find and return property that has been stolen.

Identity Theft

It's no surprise to see identity theft at the top of the crime list in 2017. Tax Fraud has become one of the most active forms of identity theft, so make sure you check your accounts and credit on a regular basis. We have to protect our identity!

Tax Talk

In preparing the 2017 property tax levy, the Village faced significant pressures resulting from the State's actions in reducing income tax monies that it shares with municipalities by 10%, and imposing a new 2% collection fee on certain local revenues such as Home Rule Sales Tax, Auto Rental Tax and Excise Tax. The impact from the State's actions amounted to a loss in revenues of \$374,000 in fiscal year 2017/2018. In order to mitigate the impact on essential services, the Village reluctantly approved a 5% increase in the property tax levy. Since 2008, the Village has been levying nearly the same amount of property taxes. Unfortunately, because the Village's portion of the total tax bill is just around 11%, efforts to hold the line on property taxes are overshadowed by increases from School Districts, which make up nearly three-quarters of the property tax bill burden as can be seen in the graphic below.

Property tax bills are mailed out from the DuPage County Treasurer, with the first installment due June 1, 2018. If you have questions concerning your property tax bill, please contact the Village Finance Department at 630.909.5342.

Distribution of Property Tax Dollars 2017 Tax Levy

Taxing District	Percentage
Schools	73.6%
Village	10.9%
Fire District	5.9%
Library	5.1%
All Others	4.5%

Village Receives Two Awards from the GFOA

The Governmental Finance Officers Association (GFOA) awarded the Village of Glendale Heights with a Certificate of Achievement for Excellence in Financial Reporting, for its 2017 Comprehensive Annual Financial Report (CAFR). This is the 35th consecutive year in which the Village has received this award. The Certificate of Achievement is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management.

The Village was also recognized by GFOA with a Distinguished Budget Presentation Award for its Fiscal Year 2017/2018 budget document. This marks the fifth consecutive year in which the Village has received this recognition.

Glendale Heights Community Development Reminders

Springtime is here and annual spring-cleaning has begun. Residents are reminded that rubbish/garbage and yard waste is collected at the curbside and may be placed no sooner than 6:00 pm on the day preceding the route pickup day. Yard waste is collected seasonally from April through November 30, 2018. All yard waste must be placed in either biodegradable paper bags or in cans clearly labeled "YARD WASTE ONLY." Brush must be in bundles not exceeding 4 feet in length, 2 feet in diameter and 50 pounds in weight. Securely close containers to prevent items from blowing around the area. Remember that all waste containers and receptacles must be removed from the parkway no later than 7:00 am the day following collection. Following these neighborly requirements helps to maintain our beautiful neighborhoods as we head into summer.

Residents are also reminded that spring rains may cause standing water and possible flooding. It is natural for there to be some standing water after a rain, but residents should make sure that drainage areas are not blocked. Allowing water to run to storm sewers will reduce potential flooding and protect your home.
