GH₂O Opening Weekend!

May 25 - May 27
(Memorial Day Weekend)
Noon - 7:00 pm

Memorial Day Ceremony

Honoring America's Fallen Heroes

Purchase your Vehicle Sticker!

Please remember to stop in to Village Hall in early May to purchase your 2019-2020 Village vehicle sticker! The earlier you come in to purchase your sticker, the less likely you will have to wait in long lines. For more information, **please turn to page 3!**

On **Thursday, May 23rd**, area grade school students will be planting 6,989 flags to represent the fallen heroes from Operation Iraqi Freedom and Operation Enduring Freedom Afghanistan. The inner circle of flags will represent fallen Illinois service personnel.

On **Monday, May 27th**—Memorial Day—at 11:00 am at Veterans Memorial Park, we honor the memory of the brave men and women who died while serving our country. The Glendale Heights VFW Post 2377 will conduct a "Fallen Warrior Ceremony" followed by a solemn wreath laying ceremony. This includes a flag and color guard presentation, rifle salute and playing of Taps.

Letter from the Village President

300 Civic Center Plaza • Glendale Heights, IL 60139
630.909.5303 • ljackson@glendaleheights.org

Dear Residents,

As we welcome the summer season ahead of us after a long winter, I am excited about the many summer events we have planned for the upcoming months. As we celebrate the Village of Glendale Heights' 60th anniversary, we should always remember to celebrate our past and our great history that brought us here today.

Join us on Saturday, June 8th as we open the Glendale Heights Historic House for a Park Party with ice cream, cake, games, music and more. We will also offer tours of the historic house to get a sneak peak of the many generations that have made Glendale Heights what it is today. Be sure to mark your calendars for Saturday, July 13th for our 60th anniversary celebration at Glendale Heights Fest where we will be having a full day's worth of activities from music of the ages, Grease themed activities, commercials from 1959 and more!

Lastly, I would like to take a moment to thank everyone who attended our last Coffee with the Mayor and Board in April. Our taxes are always a difficult topic of conversation, but I want to assure all of you that we are here to support and help you. Our goal is to help you understand where your tax dollars are going and maintain transparency. If you do have any questions about your taxes, I encourage all of you to reach out to your District Trustee, our Finance Department, or myself so we can work with you to help you understand your tax bill.

We hope to see all of you at our upcoming events as we continue our celebration of the Village of Glendale Heights' 60th anniversary! Please do not hesitate to call our offices if you have any questions or concerns at 630.909.5303, or stop by for our monthly Coffee with the Mayor and Board. I look forward to seeing all of your smiling faces this summer as we celebrate our past and create our future!

Sincerely,

Linda Jackson

Linda Jackson, Village President

Congratulations 2019 Re-Elected Village Officials

Bill Schmidt, District 1 Trustee

Michael Light, District 3 Trustee

Pat Maritato, District 4 Trustee

Coffee with the Mayor & Board

60 Facts in 12 Months Celebrating 60 years of the Village of Glendale Heights

- The first car dealership in Glendale Heights was called FencI-Tufo Chevy (now Sunrise Chevrolet)
- AMITA Health Adventist Medical Center GlenOaks was first called Glendale Heights Community Hospital
- The Village Slogan "Proud and Progressive" was created in 1970 by Betty Azar
- "Village for all people" was added to the slogan for the 40th anniversary of the Village
- Glenside Fire Protection District opened in 1969 and they are celebrating their 50th anniversary in 2019!

The Glenside Fire Protection District is celebrating 50 years of service to the community (1969 – 2019). We have a new patch to kick off the celebration. The main event will be an open house at the fire station located at 1608 Bloomingdale Road on Saturday, June 22, 2019 from noon until 3:00 pm. Refreshments will be served. Please come join us in reminiscing how the Fire District got started and how far we have come. We hope to see you there!

Village Receives Award from the GFOA

This past February, the Governmental Finance Officers Association (GFOA) awarded the Village of Glendale Heights with a Distinguished Budget Presentation Award for its Fiscal Year 2018/2019 budget document. This marks the sixth consecutive year in which the Village has received this recognition.

The award represents a significant achievement by the Village, and reflects the commitment to meeting the highest principles of governmental budgeting. In order to receive the budget award, the Village had to satisfy nationally recognized guidelines for effective budget presentation. These guidelines are designed to assess how well the Village's budget serves as a policy document, a financial plan, an operations guide and a communications device. Budget documents must be rated "proficient" in all four categories, and in the fourteen mandatory criteria within those categories, to receive the award.

Village Budget documents for the current year and preceding five years can be found on the Village's website.

Village Vehicle Stickers

The 2019-2020 Village vehicle stickers are sold inside Village Hall at the Finance Department counter beginning May 1. The new vehicle sticker must be displayed by 12:01 am, July 1, 2019 on the lower right hand corner of the windshield.

Passenger vehicle stickers are \$15, motorcycle tags are \$12, recreational vehicle stickers are \$18, and trucks with B plates are \$25. There is an additional price schedule for trucks based on their individual weights. Qualifying senior citizens receive one sticker at no charge.

Please take note that per Village Ordinance, overnight parking on Village streets is restricted to those vehicles having a valid vehicle sticker.

Sticker Purchase: By Mail

If you bought one or more sticker(s) last year, the Village will mail you a pre-printed renewal application during the first week of May. If you receive a pre-printed renewal application, you'll be able to conveniently purchase your sticker either by mail or at Village Hall. If you have a new license plate, you must include a copy of your license plate registration with your renewal application.

If you have not received a pre-printed form with your vehicle information, you are required to provide proof of your State Vehicle Registration, or proof of address, showing your Glendale Heights address at time of purchase. Failure to provide proof of residency of a Village address will result in sticker costs to be doubled. Adequate proofs of residency include a driver's license, utility bill or lease. Exceptions are made for residents who bring home a business vehicle. Residents are required to bring a letter on company letterhead indicating to whom the vehicle is assigned with resident's home address.

Sticker Purchase: In Person

If you'd rather buy your new sticker(s) in person instead of by mail, or need to provide your proof of residency, you can do so at Village Hall during regular business hours, Monday through Friday, between 8:00 am and 4:30 pm, and Thursday evenings until 7:00 pm. Senior Citizens may obtain their sticker(s) at the Center for Senior Citizens located at 260 Civic Center Plaza. For your convenience, Village Hall will be open on Saturdays in June from 9:00 am to noon.

It is strongly recommended to purchase your stickers early to avoid long lines and penalties.

Water Pollution Control Facility (WPCF)

The Water Pollution Control Facility is responsible for overseeing the operations of the Village's wastewater/sewage treatment. The Water Pollution Control Facility operates under provisions of the Illinois Environmental Protection Agency while the treatment of municipal wastewater is regulated by the Clean Water Act. Laboratory testing is performed daily on process control, while concentration limits on such parameters are completed to permit specifications.

Chlorine is added to water from May thru October to remove harmful pathogens. Sodium Bi-Sulfite is applied as a de-chlorination chemical upon final discharge to the effluent streams. Maintenance and preventative maintenance is performed daily by personnel to improve operating procedures and system performance. The overall goal is to ensure a cleaner environment, with the utmost efficiency.

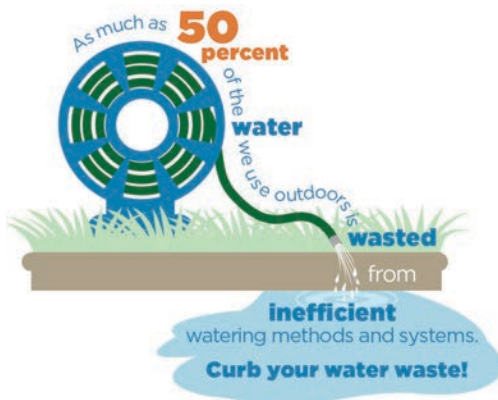

Water Conservation

Please remember that water conservation measures will be implemented during the summer months. The following restrictions apply from May 1st through September 30th.

1. Use On Odd Numbered Days: Homeowners/Business Owners with an odd numbered street address may engage in outdoor water use on odd numbered calendar days between the hours of 6:00 am and 10:00 am, and between the hours of 6:00 pm to 10:00 pm.
2. Use On Even Numbered Days: Homeowners/Business Owners with an even numbered address may engage in outdoor water use on even numbered calendar days between the hours of 6:00 am and 10:00 am, and between the hours of 6:00 pm to 10:00 pm.

Uses Permitted On All Days: Outdoor usage of water will be allowed during all hours on all days, provided that hoses used for outdoor water usage are fitted with automatic shutoff devices.

Village Engineering

The Engineering Division is currently focused on the summer construction period. In part, this involves performing detailed engineering reviews on incoming building applications from private businesses, citizens, and for Village projects.

Summer is here, and with it some major road construction projects. Gregory Avenue reconstruction began in April.

This summer, other various streets in town are being reconstructed as part of our MFT (Motor Fuel Tax) Road Program. The funding for MFT street improvements is from money collected statewide as gasoline taxes. The program is administered by IDOT.

Keep Your Vehicle Prepared!

The function of the Fleets Division of Public Works is two-fold: emergency repairs to damaged or broken down vehicles and equipment are expedited in a safe and cost effective manner. Fleets also serves to maintain all the vehicles and equipment through preventative inspections and corrects insufficiencies' during inspections. The ultimate goal is to avoid breakdowns during these inspections.

With vacation season quickly approaching, residents can do the same maintenance with the family vehicle, although on a smaller scale. Loading down the "Family Truckster" with luggage, more people, and vacation items, can add significant weight. Be sure to have the brakes inspected for abnormal wear and tear, and also look at the lines and hoses if the car is more than five years old. Are the tires in good shape? Under inflation is the leading cause of tire failure. Correct tire pressure specifications can be found on the driver's door jamb. Don't forget age! Typically a tire will show signs of dry rot in the sidewalls or tread area after five years. A blown tire on the side of the road can ruin a great vacation. Did you know most modern cars no longer come factory equipped with a spare tire? So always remember to be prepared!

Lastly, check the basics, like fluids. When is the last time the oil was changed? Have your mechanic check the transmission fluid level, along with final drive fluids if so equipped. Washer fluid and wiper blades are also often overlooked until you're in a situation where they are needed.

A little preventative maintenance now will go a long way towards a fun, stress free vacation. Enjoy the ride and stay safe!

NATIONAL POLICE WEEK

Sunday, May 12 - Saturday, May 18

In 1962, President Kennedy proclaimed May 15th as National Peace Officers Memorial Day and the calendar week in which May 15th falls, as National Police Week. Established by a joint resolution of Congress in 1962, National Police Week pays special recognition to those law enforcement officers who have lost their lives in the line of duty for the safety and protection of others.

National Police Week 2019 will run from Sunday, May 12th through Saturday, May 18th. To commemorate that week, the Glendale Heights Police Department will be handing out blue ribbons for residents to put on their vehicles as a symbol of respect to those who have laid down their lives in the line of duty and to show support to law enforcement officers protecting our streets. May 15th is National Peace Officers' Memorial Day and we especially hope you will fly the ribbons on that day as we honor those who have made the ultimate sacrifice. Blue ribbons will be available at the Police Department Records.

Junior Police Academy

Ages 11 to 14 • June 17 - 21 • Safety Town
8:00 am to 4:00 pm • \$85/\$105 (R/NR)
Limited to 25 Students

The Glendale Heights Police Department is once again conducting a Junior Police Academy camp! Run by members of the Police Department, this is a fun-filled camp that combines both educational and recreational activities. The program has been a huge success in the past and truly enjoyed by all who have participated. Registration is accepted on a first come, first served basis, so be sure to enroll early! To register for the Junior Police Academy, or for more information on the program, contact the Glendale Heights Sports Hub at 630.260.6060 or visit www.GHPRF.com.

Safety Town Classes

Ages 5 to 7 • June 10 - 14 and June 24 - 28
9:00 am - 11:00 am • \$15/\$30 (R/NR)
Limited to 24 Students

As adults, we do all we can to keep our children safe. Teaching safety awareness to our children when they are young is very important in our efforts to protect these precious lives.

A variety of educational topics are covered, including pedestrian, railroad, fire, bus and bike safety, as well as stranger danger, first aid & poisons, Emergency 9-1-1 and seat belt use. Children will receive a Safety Town T-shirt and be provided handout materials daily. For registration information, contact the Glendale Heights Sports Hub at 630.260.6060 or www.GHPRF.com.

Crossing Guard Appreciation Day

Tuesday, May 7th

School Crossing Guards play an important role in the lives of children who walk or bicycle to school. Most notably, they help the students of School Districts 15 and 16 safely cross streets at key locations, working hard to protect our children each and every school day.

These dedicated individuals serve as an integral part of our community in many ways and are often overlooked by the public. Crossing Guards serve to remind motorists to be aware of children in and around school zones and help parents feel more comfortable about their children walking or bicycling to school. They are required to possess a deep sense of responsibility and common sense, have a good rapport with children, and brave extreme weather conditions throughout the school year.

We invite the entire community to recognize the significant contribution of these 12 individuals on May 7th and to remember their efforts to ensure a safe journey for our school children each day of the school year.

GHPD Juvenile Diversion Program

The Glendale Heights Police Department Diversion Program provides a positive alternative to formal court processing for first time, misdemeanor, juvenile offenders.

The purpose of the Diversion Program is to provide youthful offenders with a positive alternative to the court system. Young offenders will participate in structured activities and group interactions which are intended to improve their understanding and perception of the legal system and law enforcement, increase their self-esteem, introduce better methods of communication and improve their decision-making skills. Through structured activities and community service, the program aims to reduce the "repeat offender" rate among these participants.

By providing this opportunity, youth are given the chance to maintain a clean record, while still being held accountable.

For more information contact the Police Departments non-emergency number 630.260.6070. You can also speak with the School Resource Officer at your local school.

CHARACTER COUNTS!

The Glendale Heights CHARACTER COUNTS! Coalition would like to share with our community that the pillar for the month of May is Caring; Be kind • Be compassionate and show you care • Express gratitude • Forgive others • Help people in need.

The pillar for the month of June is Citizenship; Do your share to make your school and community better • Cooperate • Get involved in community affairs • Stay informed • Vote • Be a good neighbor • Obey laws and rules • Respect authority • Protect the environment • Volunteer.

Our future generation of leaders may not always listen to what we say, but they are watching what we do. Live by the "Six Pillars of Character" - T. (Trustworthiness) R. (Respect) R. (Responsibility) F. (Fairness) C. (Caring) C. (Citizenship).

For more information on CHARACTER COUNTS! contact Tanya Macko at 630.909.5459 or Tanya_Macko@glendaleheights.org.

From the Detectives

Did you know serial numbers play an important part in an investigation? Serial numbers help streamline investigations for stolen or recovered property and also provide a way to identify property should it be stolen or recovered.

Detectives need serial numbers, owner applied custom numbers, markings or other identifiable information in order to find and return items.

Identity Theft

It's no surprise to see identity theft at the top of the crime list. Tax Fraud has become one of the most active forms of identity theft, so make sure you check your accounts and credit on a regular basis. We have to protect our identity!

Tax Talk - *Understanding your tax bill and more*

A recent article appearing in the DuPage Policy Journal presented information suggesting that the Village of Glendale Heights has the highest tax bills in DuPage County. Within the article, there was a chart displayed that identifies the Village as having the highest median tax bill (\$5,552), and highest effective tax rate (4.27%) based on a median home sales price of \$130,000.

But before you start dumping tea bags into the harbor, consider a few facts:

On a median tax bill of \$5,552, **the Village share on average is 10.9%, or about \$605**. The remaining 89.1% or \$4,947 is distributed thusly:

• Grade School	49.6%	\$2,755	• Township	1.7%	\$94
• High School	21.8%	\$1,210	• County	1.5%	\$83
• Fire District	8.4%	\$466	• Forest Preserve	1.1%	\$61
• Library District	4.9%	\$272	• All others	0.1%	\$6

Beginning in 2008, the Village's tax levy was lowered 4 consecutive years, going from \$7,522,485 down to \$7,019,803 in 2012.

In the 10 year period from 2009 to 2018, the Village's tax levy has been increased just 3 times. The first increase came in 2013, as the Village was required to increase the levy paid to I.M.R.F. The second increase came the next year (2014), and was needed to rebuild self-insurance fund reserves. The last levy increase came in 2017, in response to the State of Illinois withholding ten percent (10%) of income tax monies shared with local governments, and a new 2% State Administrative Collection Fee imposed on monies collected by the State for the benefit of local governments.

The most recently released Equalized Assessed Valuation (EAV) data for the Village reports residential EAV at \$450,552,283. There are approximately 8,300 residential units within the community, resulting in an average EAV of \$54,283 per residential unit. Using that figure, a residential unit will pay approximately \$641 in Village assessed property taxes in 2019. In 2008, an average residential unit paid \$607 in Village property taxes. That's a 10 year aggregate increase of 5.6%, or 0.56% per year.

Compare the Village's 5.6% increase over ten years to other taxing districts that levy taxes within Glendale Heights:

- School District 15 – 21.18% increase in tax levy from 2008-2017.
- School District 16 – 18.10% increase in tax levy from 2008-2017.
- School District 41 – 18.80% increase in tax levy from 2008-2017.
- School District 200 – 28.21% increase in tax levy from 2008-2017.
- School District 87 – 21.41% increase in tax levy from 2008-2017.
- College of DuPage – 34.40% increase in tax levy from 2008-2017.

Considering the \$641 in Village levied property taxes, below is an itemization of how the Village spends those dollars:

- Pension Payments for Police (**mandated by State Law**) 34%. Police Pension payments have escalated in just 4 short years, going from \$1,641,414 in 2016 to \$2,395,765 in 2019.
- Principal and Interest Payments on Bonded Debt used solely for capital improvements - 26%.
- Recreation programming/activities - 15%.
- Contribution to Illinois Municipal Retirement Fund (**required by State Law**) - 12%.
- Police Protection/Emergency Preparedness/School Crossing Guards - 5%.
- Insurance (Liability/Workers Compensation) - 4%.
- Contribution to NEDSRA (Northeast DuPage Special Recreation Association) - 2%.
- All others - 2%.

As a direct result of an increasingly strengthening national, state and local economy, revenues from sales and home rule sales taxes, real estate transfer taxes, and building permits have all recorded gains over the last few years; thereby allowing the Village to keep property tax levy increases at bay. If you have any questions about your tax bill, please contact the Village's Finance Department at 630.260.6000.

Glendale Heights Community Development Reminders

Springtime is here and annual spring-cleaning has begun. Residents are reminded that rubbish/garbage and yard waste is collected at the curbside and may be placed no sooner than 6:00 pm on the day preceding the route pickup day. Yard waste is collected seasonally from April through November 30, 2019. All yard waste must be placed in either biodegradable paper bags or in cans clearly labeled "YARD WASTE ONLY". Brush must be in bundles not exceeding 4 feet in length, 2 feet in diameter and 50 pounds in weight. Remember that all waste containers and receptacles must be removed from the parkway no later than 7:00 am the day following collection.

Garbage/Recycling Holiday Schedule

In observance of the Memorial Day Holiday, residents are advised of a change to their regular schedule for refuse and recycling collections. Republic Services will follow their Holiday Pick Up Schedule. All pick up days are delayed by one day for all customers who are scheduled on the day of, or following a holiday.

For service related questions, please call Republic Services at 847.981.0091.

Flag Day - Friday, June 14

In honor of our "Red, White and Blue," the following tips for proudly displaying our U.S. flag are recommended by the National Flag Day Foundation:

- If you display the flag overnight, illuminate it.
- No other flag or pennant should be placed above or at the same level to the right of the U.S. flag.
- Don't allow the flag to touch anything beneath it, including the ground, water or the floor.
- When your flag fades or wears thin (typically after a year) replace it with a new one.
- Remember to dispose of the old flag in the Village's Flag Depository (located at the circular island in front of Village Hall) for proper military disposal.

The Flag Disposal Program was started in 2004 by Village Trustee Chester Pojack. Over 7,300 flags have been collected since the start of the program. For information concerning the Flag Disposal Program, contact Village Trustee Chester Pojack at 630.909.5310.

Scholarship Opportunities

\$2,000 Sue Dees Memorial Scholarship

The Glendale Heights Junior Woman's Club will be awarding a \$2,000 Scholarship for the 2019-2020 school year in memory of one of their members, Susan E. Dees. Sue was an active member of the club for many years before she lost her battle to breast cancer in August 2005.

Applications will be accepted from **female** residents of Glendale Heights that are currently enrolled or will be enrolled as a **full time student in college in the fall**. Contact Scholarship Chairwoman, Joanna Seebeck at 630.400.0338 or successwithseebeck@comcast.net for additional information.

Scholarship applications & transcripts must be postmarked no later than May 17, 2019. The scholarship will be awarded at the club's monthly meeting on June 5, 2019.

Chamber of Commerce Scholarship

The Glendale Heights Chamber of Commerce is proud to announce that for the 18th year, it will be assisting a number of individuals as they work their way towards a higher education by offering various scholarships.

Established in 2000, the Kathy Guzlas Scholarships consist of scholarships totaling at least \$3,000. These scholarships are for high school seniors going to college that have shown strong leadership, volunteerism and academics in high school. In addition to the Kathy Guzlas Scholarships, two additional scholarships are available. A scholarship is available for a child of a service member on active duty or a service person that recently left the military and is planning on a post-secondary education as well as a scholarship for a student who has completed two years of post-secondary education and is excelling in their given area of study.

In order to be considered for a scholarship, applicants must be a resident of Glendale Heights or have a guardian/parent whose organization is a member of the Glendale Heights Chamber of Commerce in good standing. Application deadline is May 13, 2019. For applications, please visit the website at: www.glendaleheightschamber.com. For additional information, please contact the Chamber of Commerce Office at 630.909.5361 or email Director@glendaleheightschamber.com.
