Letter from the Village President

300 Civic Center Plaza • Glendale Heights, IL 60139
630.909.5303 • ljackson@glendaleheights.org

Dear residents,
Happy holidays! It is hard to believe that we are already heading into the holiday season and closing out the 2020 season. This year has been unprecedented and full of challenges each and every day. The holiday season is a time to be with our loved ones, whether in person or virtually in this "temporary new normal". The holidays are also a time to support each other, support our community, support our local businesses and to come together to raise each of us up. My goal, as Village President and as a public servant, is to provide us with a sense of community and to help bring development, programs and events in a safe way. I want to thank everyone who participated in our fall events as we bring a little bit of normal back to our lives.

Since October, we have completed six different Food Distribution Events with another one on its way on Saturday, November 14th from 9:00 am to noon at Camera Park. These events have helped feed thousands of families from Glendale Heights and the surrounding communities. We have had hundreds of volunteers who have dedicated their Saturdays to help those affected by the COVID-19 pandemic and I want to personally thank each and every one of them for their help. If you are interested in volunteering to lend a hand at the upcoming Food Distribution Event or other Village programs, please visit our VIP page on the Village website at www.glendaleheights.org for more information.

I am very pleased to announce that we will be holding our annual Veterans Day Ceremony on Wednesday, November 11 at 11:00 am. This ceremony will be held at Veterans Memorial Park but with some minor changes in order to properly practice social distancing. We have expanded the event outside of the paved circle into the grassy area so that we can have enough space for social distancing. Also, please remember to wear a mask or face covering during the event. I believed that properly honoring our veterans at Veterans Memorial Park was the least that we could do to show our respect and appreciation for each and every brave man and woman. On behalf of the Village Board, I want to personally say "thank you" to our Veterans near and far for your sacrifice to our great nation!

As I write this, we are busy working every day developing plans for the holiday season. Due to the COVID-19 pandemic and with respects to the Governor and the Restore Illinois Plan, there are several events that will be cancelled or altered. At the time of printing this Village Newsletter, the Victorian Christmas held at the Historic House will be cancelled. However, I can assure you, we are moving forward with a variation of the Tree Lighting Ceremony to officially ring in the holiday season and we are creating an updated version of Breakfast with Santa. Additionally, our Recreation Division has been busy creating a list of family holiday activities (see page 4) for everyone to partake in.

This holiday season will be different on many levels, but I'm confident we can still celebrate safely. We are all finding ways to cope with the "temporary new normal", and I assure you, just like all of you, I want everything to return back to the way things were before. Together we can get through these challenging times. This holiday season, please be respectful to your fellow neighbors, and let us come together as a community and remember that together, we are "Glendale Heights Strong". From my family to yours, I wish all of you a happy, and most importantly, a healthy holiday season!

Sincerely,

Linda Jackson, Village President

Christmas Sharing

The Village of Glendale Heights annual Christmas Sharing program will be looking a little different this year due to COVID-19. The Village will be working alongside the School Districts to help identify families who have been affected by the COVID-19 pandemic through the school lunch assistance program. We appreciate everyone's understanding of the necessary changes to the Christmas Sharing program due to COVID-19. The health and safety of our volunteers, families, staff and everyone involved is of the utmost importance. However, we also understand the importance of the holidays and the difficulties families are facing and wish to continue to share in the spirit of the holidays.

If you are interested in making a monetary donation to support the Christmas Sharing program and give back to those in need, please contact Debbie Marino at DMarino@glendaleheights.org or call 630.260.6030 x 6130.

Send Cheer to Military Personnel

While writing your greeting cards to friends and relatives, please remember our military personnel who are serving our country during the holidays.

The Village is collecting holiday greeting cards and will mail them in time for a holiday delivery. Please drop off your greeting cards to Village Hall by December 3.

Please do not decorate cards with glitter or add personal or social media information to cards. Also, do not include envelopes with cards. For more information, call 630.909.5327.

5 Tips for Golfing in the

COLD

1. Walk Instead of Ride! You will stay warmer and stay loose.
2. Keep Your Hands Warm. Consider purchasing golf gloves for both hands.
3. Keep your golf ball warm by leaving it in your pocket in between holes. A warm golf ball will actually drive farther in colder weather!
4. Layer your clothing. Wear more thin layers so you can swing and shed if you need.
5. Have realistic golf expectations. Don't expect your score to be the same as it is on a nice summer day. Conditions and temperatures will affect your swing and score.

MFT Road Projects Update

This year the Village completed the construction of three major roads under the 2020 MFT Road Project. Gilberto Street, Armitage Avenue, and a portion of Windy Point Drive were constructed under this year's program. The construction consisted of storm sewer improvements and repairs, sidewalk and curb improvements, and road paving.

Winter Time at the

Water Pollution Control Facility

Winter operations will begin on November 1st for the Water Pollution Control Facility (WPCF). Disinfection of the treatment plant effluent by the use of chlorine gas will not be required throughout the winter months due to slower biological activity. Additionally, the need to neutralize the chlorine contained in the treatment plant effluent will not be required. This means the treatment facility will not be adding sodium bisulfite to the effluent to neutralize the chlorine.

The staff at the WPCF will utilize the winter season to undertake maintenance to systems such as the chlorination system, de-chlorination system and the filtering system. This involves such activities as cleaning valves, replacing seals/gaskets and pipelines. Additionally, all of the filter discs will be removed from each of the three filters and these will be inspected, cleaned and or replaced as required.

Snow Plow Operations During a Snow Event

With the winter season upon us, the Streets Division will outfit Village vehicles with snow plows and anti-icing equipment. Public Works utilizes road salt and liquid de-icing materials to assist in clearing the roadways and providing safe travel conditions.

The Village has 76 center lane miles of roadway and 147 cul-de-sacs and dead-ends which will be strategically cleared during a snow event. The Village roads are sectioned into eight snow routes and each will have a designated large truck to undertake the clearing of snow and de-icing. Each snow route has a defined primary (arterial road) route and a secondary (collector road) route. In the case of a winter storm event with measurable accumulation of snow, there will be additional trucks dispatched to undertake the clearing of snow from cul-de-sacs and dead-end streets.

For parking restrictions during and after a snowstorm, please see page 8 (Parking Info). For any questions or concerns you may have regarding the Village's Snow and Ice plan, please contact Public Works (Snow Command) at 630.260.6068.

Holiday Shopping Safety Tips:

As the holiday shopping season is upon us, please take time to ensure you have a safe and happy holiday season. As you find time to shop, please be mindful of the following safety tips:

- Be aware of your surroundings. Look for suspicious persons, etc. when you are in any area.
- If shopping late in the day or after dark, park in an area that is well lit.
- Don't leave cell phones, purses, or any other item of value in your parked car where they can be seen. Always conceal these items.

Parking Info

The Glendale Heights Police Department would like to remind you of a couple of parking regulations within the Village.

"Parking - Sidewalks" - Village Ordinance 7-7-5(J)

"Within any sidewalk area; residents may park, on each owner's driveway, across the sidewalk between the hours of 10:00 p.m. and 7:00 a.m., or within twenty-four (24) hours after a snowfall of one inch (1") or more has occurred from November 1st through March 31st."

"Parking During Snowfall" - Village Ordinance 7-7-8

"It shall be unlawful to park any vehicle on any public street designated as a snow route in the Village at any time within twenty-four (24) hours after a snowfall of one inch (1") or more has occurred." "It shall be unlawful to park any vehicle on any other public street in the Village at any time within twenty-four (24) hours after a snowfall of two inches (2") or more has occurred." "In the event of a continuous heavy snowfall of five inches (5") or more having occurred, it shall be unlawful to park any vehicle on any public street in the Village at any time within a period of seventy-two (72) hours after such snowfall."

Should you need additional information or clarification regarding the above regulations, please contact the Glendale Heights Police Department non-emergency phone number at 630.260.6070.

Need your child's car seat checked for proper installation?

The Glendale Heights Police Department has six Certified Child Passenger Safety Technicians.

Our technicians will put their knowledge to work through child safety seat checks where parents and caregivers receive education and hands-on assistance with the proper use of child restraint systems and seat belts. Even with the detailed instructions from car seat manufacturers, a majority of parents still misuse their child restraints and need help to get it right.

To schedule an appointment to have your child's seat inspected for proper installation, please contact the Glendale Heights Police Departments non-emergency number at 630.260.6070.

Before the Car Seat Checkup

- Be prepared to learn, not just watch the CPS technician install the car seat. They are trained to teach you.
- Know your child's current weight and height
- Using the car seat instruction manual and the vehicle owner's manual, try to install the car seat into your vehicle prior to your appointment
- Tip! Check the index of your vehicle owner's manual for "child safety seats".
- Be sure to bring the car seat instruction manual AND the vehicle owner's manual with you to your appointment
- If possible, bring your child with you as well as another caregiver to help while you are learning

More than 90% of car seats are not used correctly.

Confirm Your Driver and Car Before Getting In

There are some reported cases of scammers posing as rideshare drivers, so always confirm the license plate and name of your driver before getting in, and check their appearance against the photo in the app. In addition, if you are being picked up in a popular area, like an airport, this will avoid accidentally taking someone else's ride.

Pro tip: Always ask a driver for the name of the passenger before you get in the car instead of saying your name first. This way, you can be 100 percent sure that person is your driver.

Never Pay Cash

A driver should never ask you to pay cash for your ride. Both Uber and Lyft give you an option to tip through the app after your trip, so there is no need to have your wallet out during a rideshare.

Know Your Surroundings

If you are in an unfamiliar city or area, make sure to track your route on your own maps app to ensure the driver is following the correct route. If you are being picked up from the airport, be sure to follow the prompted instructions when you open the rideshare app. This also goes for the neighborhood and time of day you are requesting a ride. Be smart and aware of open businesses around you and avoid calling rideshares alone late at night. If you are being picked up from a bar or restaurant, pay extra attention to these tips.

Call for Help

Both Uber and Lyft have emergency buttons that let you call 911 directly from the app if something goes wrong. The apps will display your current whereabouts so you can share them with the dispatcher during your call.

Keep the Wreath Red

Each year during the holiday season, the Glenside and Bloomingdale Fire Protection Districts participate in the statewide "Keep the Wreath Red" program. The program starts when the Fire District illuminates a Christmas wreath with all red bulbs on the fire station. During the holiday season, if there are any fires related to decorations, a white bulb will replace a red bulb on the wreath. We ask everyone in the community to help "Keep the Wreath Red" by keeping some important safety tips in mind this holiday season.

- If you use a live tree, be sure to choose a fresh tree that is not shedding needles and keep it well watered.
- Make sure Christmas and Hanukkah lights are labeled by a testing laboratory. Replace any worn sets or those with loose connections. Outside, use lights labeled for outdoor lighting. Always unplug everything before going to bed or leaving home.
- Do not use candles in decorations or displays. Keep them away from curtains or other combustible materials and never put them in windows or near exits. Keep candles out of the reach of small children.

Selling Your Home?

If you decide to sell your home in Glendale Heights, you are required to obtain a tax stamp, which may be done by following the simple steps listed below:

1. Submit a completed Real Estate Transfer Certificate of Compliance application a minimum of 21 days prior to closing, which is available online or at Village Hall. The certificate of compliance is valid for six months, so start the process early to avoid delays at your closing.
 2. Submit an application fee of \$100.00 for a single family home.
 3. An inspection will be scheduled when the application and fee is submitted.
 4. When the inspection is conducted, you will be provided with a report of any items that need to be corrected. You may make the corrections and have a re-inspection, or the purchaser may sign a Guarantee of Compliance and post an escrow to guarantee that the work will be completed within 30 days.
 5. A plat of survey of the property less than a year old must be submitted as part of the inspection process.
 6. Once the inspection passes or the Guarantee of Compliance is signed and escrow posted, you may submit an application for a Transfer Stamp along with the following documentation to the Finance Department:
 7. Payment of the transfer tax prior to transferring title to or assigning the beneficial interest in a land trust. The tax is \$3.00 for every \$1,000.00 of value or fraction thereof.
 8. A receipt of payment of the final water bill and any other outstanding debt or unpaid invoices.
 9. A copy of the original deed, which may be signed by your attorney.
 10. A copy of the State Declaration, which may be signed by your attorney.
- Once the fees and taxes are paid and the documentation is submitted, the Village will issue the tax stamp.
- If you have any questions or for more information, please contact the Community Development Department at 630.260.6030.

Help Support the Community Affected by COVID-19 through the **Glendale Heights Foundation**

**MAKE A DIFFERENCE.
DONATE TODAY.**

The Glendale Heights Foundation is looking for monetary donations to help families throughout the Glendale Heights community! The Glendale Heights Foundation (GHF) is a non-profit organization incorporated in 2003 to provide limited one-time emergency financial assistance to Village residents. Due to the COVID-19 pandemic, many families have been hit hard financially, and the Glendale Heights Foundation is looking for monetary donations to support those families in need.

Many of the typical fundraising events that support the Glendale Heights Foundation were cancelled in 2020 due to the COVID-19 pandemic. So now, more than ever, the Glendale Heights Foundation is relying on the community's support to help give back to those in need.

If you are interested in making a tax deductible donation or if you are applying for assistance, please visit <http://tiny.cc/GlendaleHtsFound> or www.glendaleheights.org.

Street Sweeping Continues through November

Street sweeping parking restrictions continue through the month of November on one specific day each week from 8:00 am to 4:00 pm. After hearing the concerns of our residents, Mayor Jackson and the Village Board of Trustees have approved to allow residents to park parallel to the street on your driveway apron (section of the driveway between the sidewalk and the street on your street maintenance day). This will allow sidewalks to be clear for residents to walk on the sidewalks, but still allow street sweepers to clean the streets of any debris and leaves for safe driving, keeping our storm drains clear to the best we can, and for clean roadways. If you have any questions on street sweeping parking, please contact the Glendale Heights Police Department's non-emergency number at 630.260.6070.
