This application must be signed by the Owner of the property or his/her duly authorized agent. UNDER PENALTIES OF INTENTIONAL MISREPRESENTATION AND/OR PERJURY, I declare that I have examined and/or made this application and it is true and correct to the best of my knowledge and belief. I agree to construct such improvements in compliance with all regulation of applicable codes of the Village of Glendale Heights. Issuance of the permit herein applied for and approval of all supporting plans and documents in connection therewith shall not be construed to permit any construction on said premises or use thereof in violation of any applicable codes or regulations of the Village of Glendale Heights or to excuse the owner of his/her successors in title from complying therewith. Applicant further agrees to pay the cost incurred by the Village for review of all supporting plans and documents by the Administrative Staff, Village Engineer, Village Attorney, and any outside consultants as may be required to fulfill the provisions of Village Ordinances. This permit may be revoked at any time upon determination that a violation exists.

REF: _____ – Sanitary Sewer Repair Review

Community Development received the permit plan subject to review by the Village Public Works Utilities Division. The Sanitary Sewer Repair permit submittal is approved base on the conditions with final approval upon field verification by inspectors:

- The material for the sewer service line is SDR 26 or Schedule 40.
- Non-Shear couplers shall be used to connect repair areas.
- A cleanout shall be installed within the repair area, unless one already exists that is adequate.
- Stone for the pipe bedding and surround shall be CA-7.
- Any work performed in the right-of-way shall require an additional permit.
- Inspection of the repair by Village Utilities Division staff before any backfilling is required.
- Upon completion of the work, the area must be restored and a final inspection by Community Development shall be required.
- A separate permit is required for any concrete / asphalt / flatwork.
- Please call Glendale Heights Public Works at 630-260-6040 to schedule inspections at least 24 hours before the inspection is needed.
 - Connection and pipe laying inspection
 - Backfill inspection
 - Bedding inspection
- The owner/resident/applicant shall contact Community Development to schedule the Final Restoration Inspection once the site has been restored (e.g., grass grown, sidewalk restored). Failing to do so could result in penalty.
 - Final restoration

Thank you and for more information, contact the Community Development Department at 630-260-6030.
