

When no programming is playing, Glendale Heights provides a character generator on GHTV (Glendale Heights Television) for announcing Village and community events at no cost.

Announcements are accepted based on the following criteria:

Cubmit completed form for consideration to.

Announcements may only be used for the purpose of promoting fundraisers and events of non-profit organizations and may not contain any commercial information. Announcements are limited to one page, and words cannot be split between lines. There are 7 lines. Please limit the message to 28 characters, including spaces, per line for optimal display. Make sure to include in the announcement a contact person and means of contact (phone or e-mail address), that may be displayed to the public. **Public Relations reserves the right to edit your announcement to fit, if necessary, and has final approval before your announcement will appear on GHTV.**
