

VILLAGE NEWS

November/December 2018

Glendale Heights, Illinois

Linda Jackson, Mayor

Tree Lighting Ceremony

November 26 • 7:00 pm
Village Hall Front Plaza

The Village of Glendale Heights invites all residents to participate in the Tree Lighting Ceremony. Holiday decor and lights will decorate the Civic Center Campus. Enjoy the sounds of the holidays through the performance of Glendale Heights' choral groups and share the holiday spirit as Mayor Linda Jackson and special guest Santa Claus illuminate the Civic Center Complex with just a flick of the switch! Then be sure to stop by the Council Chambers after the ceremony to warm up with free refreshments.

Victorian Christmas

December 3 • 6:30 pm - 8:30 pm
Historic House • 311 Windy Point Dr.

Visit the Historic House at 311 Windy Point Drive and experience what a "Victorian Christmas" might have been like 100 years ago!

Admission is free and refreshments will be served. Tours of the home will be offered and children will have the opportunity to make a Victorian decoration to take home.

Breakfast with Santa

December 15 • 9:00 am - 11:30 am • Glendale Lakes Golf Club

Come visit Santa Claus and tell him what is on your wish list while having an all-you-can-eat pancake breakfast. The price of an adult breakfast is \$5 and a children's breakfast is \$3. Photos with Mr. & Mrs. Claus are \$2.

No registration is required and the event fee is paid at the door.

Veterans Day Ceremony

November 11 • 11:00 am • Veterans Memorial Park

A ceremony will be held at Veterans Memorial Park, 220 Civic Center Plaza at 11:00 am on Veterans Day. The event includes a flag and color guard presentation, rifle salute and a tribute to our fallen warriors.

Village of Glendale Heights offices will be closed on Monday, November 12 as we honor all military personnel, past and present.

For more information, please call the Mayor's Office at 630.909.5303.

Letter from the Village President

300 Civic Center Plaza • Glendale Heights, IL 60139
630.909.5303 • ljackson@glendaleheights.org

Dear Residents,

Sincerely,

Linda Jackson, Village President

Linda Jackson

Coffee with the Mayor & Board

Coffee with the Mayor & Board is held on the first Saturday of each month* from 10:00 am to noon at the Center for Senior Citizens. **The next Coffee with the Mayor & Board is scheduled for November 3rd and December 1st.** If you are unable to attend and have a comment, suggestion or question, please call the Mayor's Office at 630.909.5303.

*Subject to Change

Street Sweeping Continues through November

Street sweeping parking restrictions continue through the month of November on one specific day each week from 8:00 am to 4:00 pm. Note: After hearing the concerns of our residents, Mayor Jackson and the Village Board of Trustees have approved to allow residents to park parallel to the street on your driveway apron (section of the driveway between the sidewalk and the street). This will allow sidewalks to be clear for residents to walk on the sidewalks, but still allow street sweepers to clean the streets of any debris and leaves for safe driving, keeping our storm drains clear to the best we can, and for clean roadways. If you have any questions on street sweeping parking, please contact the Glendale Heights Police Department's non-emergency number at 630.260.6070.

Christmas Sharing

Spread holiday cheer to individuals and families financially unable to purchase gifts or a holiday meal for their family this season. The Village of Glendale Heights Christmas Sharing Committee is in need of your help! Tree gift tags listing wished for items will be decorating trees located on the 1st floors of the Civic Center Complex, the Sports Hub and the Center for Senior Citizens, beginning November 19. It is the Committee's goal to have a bare tree for the holiday season, so that all family members pre-registered in the program receive a gift.

Please attach the gift tag to your unwrapped gift donation(s) and return it to the Civic Center or the Center for Senior Citizens on or before December 7th. The Christmas Sharing Committee relies on the continued generosity of the community to help them meet the needs of every family who qualifies for assistance. Please call 630.260.6000, or Debbie McKenzie at 630.260.6050 for further information about Christmas Sharing donations, and how you may "adopt a family."

Happy Holidays

Send Cheer to Military Personnel

While writing your greeting cards to friends and relatives, please remember our military personnel who are serving our country during the holidays.

The Village is collecting holiday greeting cards and will mail them in time for a holiday delivery. Please drop off your greeting cards to Village Hall by December 3.

Please do not decorate cards with glitter or add personal or social media information to cards. Also, do not include envelopes with cards. For more information, call 630.909.5327.

Community Holiday Wreaths at the Glenside Public Library District

Take part in our holiday tradition of displaying Community Holiday Wreaths in the lobby during the month of December. The wreaths represent various organizations, schools, nationalities, professions and hobbies.

1. Create an artificial wreath (approx. 18" in diameter)
2. Decorate with small ornaments or other items to represent your theme
3. Wreaths are due at the library before Dec. 1

For more information,
please call 630.260.1550.

Parks Storm Drain Medallions

Throughout 2018, the Parks Division has been working with local residents, organizations, businesses, clubs, scouts and more to paste storm drain medallions near drains at our local parks. This is a simple reminder not to dump trash down our sewers as all sewers drain to our streams and rivers. Thank you to all the groups who have helped to make our waterways cleaner! Special thanks to April Hieronymus of Keller Williams, Cub Scout Pack 355, ID Commerce + Logistics, Glendale Heights Kiwanis Club, and Glenbard North Key Club!

PATH STAY DAYS & WINTER BREAK CAMP

Venture to Chicago and the local area each day for fieldtrips that will bring excitement during school holidays. Our counselors maintain a safe, fun and caring environment while sharing new experiences with participants. Children do not have to be in the PATH After School Program to participate. Drop-off is between 7:30 am – 9:00 am. Pick-up is from 4:00 pm – 5:00 pm. Extended care is available until 6:30 pm at an additional cost. Trips subject to change. Program Fee: \$40 (Resident and current PATH After School Participants), \$45 Non-Resident

Winter Break Camp Schedule

12/24 - Arcade	12/31 - Trampoline Fun
12/26 - Theater Performance	1/2 - Sports Museum
12/27 - Field Museum	1/3 - Rock Climbing
12/28 - Swimming	1/4 - Chicago History Museum

YOUTH BASKETBALL LEAGUE

Players of all ages and experience are invited to participate in our youth basketball league!

Players will take advantage of weekly practices and games that will help improve their skills while developing sportsmanship and teamwork. Games are played January through mid-March. Fee Includes team jersey & end of season awards.

Registrations after October 31st will be charged a \$25 late fee.

LEAGUE	FEE	DAY	TIME
Co-Ed Grades 1st/2nd	\$65/\$75	SA	9:00 am – 1:00 pm

Our facility can accommodate up to 250 guests. Call 630.260.0095 to check on available dates and visit our website at www.glendalelakes.com to see our menus with pricing and pictures of our beautiful banquet facility.

From the Chef Thanksgiving Turkey Tips

- 1. Choose a fresh turkey instead of a frozen one.** Ice crystals that form during freezing damaging a turkey's muscle cells. When the bird thaws and roasts, fluids leak more readily from the damaged cells, drying out the meat.
- 2. Roast two small turkeys rather than one large one.** Smaller turkeys roast more evenly than large ones, so for feeding a crowd, two small turkeys are a better option. They will cook quicker, too.
- 3. Brine the turkey.** A turkey soaked in a salt-water solution absorbs both the salt and the water, so it is moister to begin with, as well as seasoned on the inside. You can flavor a brine as well.
- 4. Rub soft butter under the skin.** As it melts, it bastes the turkey and adds buttery flavor. For even more flavor, you can add herbs and spices to the butter. Use onions, parsley, lemon zest, and a little paprika.
- 5. Truss loosely, or not at all.** Legs tied up tightly against the sides of the turkey take longer to roast, putting the breast meat in jeopardy of overcooking while the legs take their time.
- 6. Roast the turkey upside down at first.** Placing the turkey, breast side down, on a V-rack for the first hour or so of roasting essentially allows it to baste itself. Any marks left by the rack will disappear once you flip the turkey over and finish roasting it.
- 7. Don't overcook it.** Use a thermometer, either instant-read or probe-style, to monitor the temperature in the thickest part of the thigh (be careful not to hit the bone). You are aiming for 167°F.
- 8. Let the turkey rest before carving.** The intense heat of the oven forces the juices into the center of the bird, so after roasting, let the turkey rest for roughly 20 minutes. The juices will redistribute and you will get moister slices.

Public Works Department

1615 Glen Ellyn Road • Glendale Heights, IL 60139
630.260.6040 • www.glendaleheights.org/PW

MFT Road Projects Update

This year, the Village completed the construction of six roads under the 2018 MFT Road Project, using revenue from the state's Motor Fuel Tax. Liberty Drive, Blue Ridge Drive, Auburn Drive, Lombard Court, and East and West Nevada Avenue were constructed under this summer's program. The construction consisted of storm sewer improvements and repairs, sidewalk and curb improvements, and road paving. Additionally, the intersection of East Nevada Drive, East Lincoln Avenue, and Clifford Street underwent a major redesign to improve safety and efficiency.

Fire Hydrant Inspections

Utilities staff will be performing a thorough inspection of each fire hydrant and begin prepping them for the winter season. This involves making sure the hydrants drain properly after use so they don't freeze in the winter months. Any operations or maintenance issues noted are logged in a data base and corrected in a timely manner. Please contact the Public Works Department if you notice any issues with a fire hydrant in your area including any damage to the hydrant marker. You can contact Public Works at 630.260.6040 Monday through Friday 7:00 am to 4:30 pm. Additionally, if you notice any leaking water valves or water main breaks after normal business hours please contact the Police Departments non-emergency number at 630.260.6070.

Winter Tips from the Fleets Division

As we approach the colder months, the Fleets Division will be finalizing the preparation and installation of all the snow and ice equipment. Each year, the goal of Public Works is to clear the roads in the most efficient manner with the lowest impact to the environment. Each truck is carefully calibrated to ensure the correct amount of salt is applied to the streets without over salting. Safety for the residents and commuters traveling through Glendale Heights is always the primary concern.

The Fleets Division likes to remind everyone to drive careful and be prepared for breakdowns. Being stranded in the warm weather can be an inconvenience, but in cold weather can be dangerous. Take your car in for an inspection and be sure it is ready for the weather. Keep a spare blanket in the car and keep all fluids at the recommended levels. Keeping the fuel tank at least half full ensures you will not have icing issues. Make sure you have plenty of windshield solvent in the reservoir, and it's always a good idea to have extra in the car. Happy and safe travels this holiday season!

Snow Plow Operations During a Snow Event

With the winter season upon us, the Streets Division will outfit nine large dump trucks, six small dump trucks, and ten pickup trucks with snow plows and anti-icing equipment. Public Works utilizes road salt and liquid de-icing materials to assist in clearing the roadways and providing safe travel conditions. All vehicles that have de-icing equipment will be tested for proper functionality and will be calibrated to preform properly, which will conserve de-icing materials throughout the entire winter season.

The Village has 76 centerline miles of roadway and 147 cul-de-sacs and dead-ends which will be strategically cleared during a snow event. The Village roads are sectioned into eight snow routes and each will have a designated large truck to undertake the clearing of snow and de-icing. Each snow route has a defined primary (arterial road) route and a secondary (collector road) route. In the case of a winter storm event with measurable accumulation of snow, there will be additional trucks dispatched to undertake the clearing of snow from cul-de-sacs and dead-end streets.

For parking restrictions during and after a snowstorm, please see page 8 (Parking Info). For any questions or concerns you may have regarding the Village's Snow and Ice plan, please contact Public Works (Snow Command) at 630.260.6068.

Winter Time at the Water Pollution Control Facility

The colder weather can cause a wastewater treatment plant (WTP) to have issues almost overnight. Bacteria do not reduce biological oxygen demand (BOD) or reproduce as effectively during the colder months of the year. They generally favor temperatures between 68° and 95° F (20° – 35° C). That is why a WTP tends to be more problematic during the winter because the bacteria are less active. And while temperatures cannot be fully controlled within a Plant, there are a few things we can do ahead of time to ensure our system is as healthy as possible during the winter to boost microbial activity. One way to ensure a healthy Plant during the winter is to keep a higher amount of bacteria in the system. This will help break down the incoming BOD and keep the Plant in compliance with State and Federal Regulations.

Holiday Shopping Safety Tips:

As the holiday shopping season is upon us, please take time to ensure you have a safe and happy holiday season. As you find time to shop, please be mindful of the following safety tips:

- Be aware of your surroundings. Look for suspicious persons, etc. when you are in any area.
- If shopping late in the day or after dark, park in an area that is well lit.
- Don't leave cell phones, purses, or any other item of value in your parked car where they can be seen. Always conceal these items.

Parking Info

The Glendale Heights Police Department would like to remind you of a couple of parking regulations within the Village.

"Parking - Sidewalks" - Village Ordinance 7-7-5(J)

"Within any sidewalk area; residents may park, on each owner's driveway, across the sidewalk between the hours of 10:00 p.m. and 7:00 a.m., or within twenty-four (24) hours after a snowfall of one inch (1") or more has occurred from November 1st through March 31st."

"Parking During Snowfall" - Village Ordinance 7-7-8

"It shall be unlawful to park any vehicle on any public street designated as a snow route in the Village at any time within twenty-four (24) hours after a snowfall of one inch (1") or more has occurred." "It shall be unlawful to park any vehicle on any other public street in the Village at any time within twenty-four (24) hours after a snowfall of two inches (2") or more has occurred." "In the event of a continuous heavy snowfall of five inches (5") or more having occurred, it shall be unlawful to park any vehicle on any public street in the Village at any time within a period of seventy-two (72) hours after such snowfall."

Should you need additional information or clarification regarding the above regulations, please contact the Glendale Heights Police Department non-emergency phone number at 630.260.6070.

Prevent Identity Theft *Keep Your Devices Secure*

Protecting your personal information can help reduce your risk of identity theft. In this digital age, it is important to maintain appropriate security on your computers and other electronic devices.

Use Security Software

Install anti-virus software, anti-spyware software, and a firewall. Set your preference to update these protections often. Protect against intrusions and infections that can compromise your computer files or passwords by installing security patches for your operating system and other software programs.

Avoid Phishing Emails

Do not open files, click on links, or download programs sent by strangers. Opening a file from someone you do not know could expose your system to a computer virus or spyware that captures your passwords or other information you type.

Be Wise About Wi-Fi

Before you send personal information over your laptop or smartphone on a public wireless network in a coffee shop, library, airport, hotel, or other public place, see if your information will be protected. If you use an encrypted website, it protects only the information you send to and from that site. If you use a secure wireless network, all the information you send on that network is protected.

Lock Up Your Laptop

Keep financial information on your laptop only when necessary. Do not use an automatic login feature that saves your user name and password, and always log off when you are finished. That way, if your laptop is stolen, it will be harder for a thief to get at your personal information.

Domestic Violence Awareness and Smart911

On average, nearly 20 people per minute are physically abused by an intimate partner in the United States. During one year, this equates to more than 10 million women and men. 1 in 3 women and 1 in 4 men have been victims of some form of physical violence by an intimate partner within their lifetime.

By creating a Smart911 Safety Profile, people can provide information about their risk of being a domestic violence victim along with a home address. Should the victim ever need to call 9-1-1, the dispatcher will be able to send help without the victim ever saying a word.

Please visit www.Smart911.com to create your profile today!

Warming Shelters

The Glendale Heights Police Department is asking residents to please check on their relatives and friends to assure they are not in need of assistance due to the extreme weather conditions. Glendale Heights has a warming shelter in place and is ready to assist the needs of our residents should the need arise. For information call the Glendale Heights Police Department's, non-emergency number 630.260.6070. As a reminder, in ANY emergency you should always call 911 for immediate assistance.

During periods of extreme weather, the police department will activate our Senior Call list to check on senior citizens. Seniors or their family members may ask to be placed on this list by picking up a form from the Glendale Heights Center for Senior Citizens or contacting the Glendale Heights Center for Senior Citizens at 630.260.6050.

Keep the Wreath Red

Each year during the holiday season, the Glenside and Bloomingdale Fire Protection Districts participate in the statewide "Keep the Wreath Red" program. The program starts when the Fire District illuminates a Christmas wreath with all red bulbs on the fire station. During the holiday season, if there are any fires related to decorations, a white bulb will replace a red bulb on the wreath. We ask everyone in the community to help "Keep the Wreath Red" by keeping some important safety tips in mind this holiday season.

- If you use a live tree, be sure to choose a fresh tree that is not shedding needles and keep it well watered.
- Make sure Christmas and Hanukkah lights are labeled by a testing laboratory. Replace any worn sets or those with loose connections. Outside, use lights labeled for outdoor lighting. Always unplug everything before going to bed or leaving home.
- Do not use candles in decorations or displays. Keep them away from curtains or other combustible materials and never put them in windows or near exits. Keep candles out of the reach of small children.

SAVE-TH-DATE!

GLENSIDE Fire Protection District

Proudly serving Glendale Heights and Glen Ellyn Countryside

The Glenside Fire Protection District will be celebrating its 50 years of service to the community (1969 – 2019) next June. The main event will be an open house on Saturday, June 22, 2019 with more details to come, so be sure to save the date and mark your calendars. In preparations for the event and a 50th anniversary book, we are looking for any pictures, items or quotes you would like to share from the community. Please feel free to drop by the station or email info@glensidefire.org with the information. Thank you in advance!

Business License Renewal

The Office of Administrative Services reminds businesses that the deadline for renewing their annual Village Business License is December 31, 2018. A Business License Renewal form, inclusive of information regarding your business, will be mailed early November to the business address on file. Upon receipt, please carefully review, complete as needed, and return the form with proper payment by the due date to the Village of Glendale Heights, Attn: Business Licenses. If you have not received your Business License Renewal form by November 30th or have further questions regarding the renewal process, please contact Administrative Services at 630.260.6000.

Yard Waste Collections

Yard waste such as leaves, grass clippings, twigs, branches, brush and other plant material are collected from single-family residences on the same day as solid waste and recycling between the months of April and November.

The final yard waste collection for the season is Thursday, November 29 and Friday, November 30 during route pickups. There will be no yard waste pickup from December - March.

For service related questions, please contact Republic Services at 847.981.0091.

Glendale Heights Foundation

The Glendale Heights Foundation (GHF) is a non-profit organization incorporated in 2003 to provide limited one-time emergency financial assistance to Village residents. The Foundation does not provide rent or mortgage payment aid. All assistance requests must be submitted in writing, including name, address, details about the emergency circumstances, and financial assistance requested. A GHF form can be downloaded from the Village website to submit a request for assistance from the Foundation. Send requests to: Glendale Heights Foundation, P.O.Box 5280, Glendale Heights, IL 60139. Tax deductible donations are always welcome and graciously accepted. For more information, please email info.ghfoundation@gmail.com.

Water Bill - Convenient Payment Options

Your water bill may be paid online (24 hours/7 days a week); dropped in the payment collection box, located in front of Village Hall or inside the Village Hall adjacent to the Administrative Services counter; in person at the Administrative Services counter of Village Hall during regular business hours, or by US mail - Village of Glendale Heights, PO Box 87156 Carol Stream, IL 60188-7156.

NEW Electronic Statement Billing Option Coming Soon!

Online Payment:

You may register to pay your water bill online conveniently 24 hours/7 days a week using credit or debit card. There is no transaction fee charged for this service.

Auto payment is also available with your registration. Auto-payment will withdraw your monthly payment on the due date directly from your checking, savings, debit or credit card. If you are already registered for online payment, simply access your account and follow the instructions for auto-payment.

For further information, visit the Water Billing page on the Village website or call 630.260.6010 with any questions or assistance in registering.

Looking Ahead!
