

A PROUD & PROGRESSIVE
VILLAGE FOR ALL PEOPLE

Village Committee / Commission Interest Form
Office of Mayor Linda Jackson

The Municipal Ordinance of the Village of Glendale Heights provide for several advisory citizen committees to make recommendations to the Board of Trustees on local issues.

If you are interested in serving as an unpaid volunteer on one of the Village's citizen commissions or committees, please complete the form below and check your areas of interest. The Village will retain your information for use when vacancies occur.

YOUR INTEREST IN SERVING AS A COMMITTEE OR COMMISSION MEMBER:

(Use additional pages if necessary)

Please mark your areas of interest below.

(You may check more than one.)

_____ **Plan Commission**

The Plan Commission serves as a recommending body to the Village Board on all matters related to community development. This commission recommends changes in the official comprehensive plan of the village, and conducts public hearings in matters brought before the commission concerning annexation of property, planned unit developments, subdivisions, and zoning ordinance amendments, and conditional uses.

Emergency Services & Disaster Agency

ESDA volunteers assist the Glendale Heights Police Department in times of emergency when trained volunteers are critical. ESDA volunteers also assist the Police Department with traffic control during emergencies, and for large community events.

Founder's Day Committee

The Glendale Heights Fest is the largest community event that is held every year in July. The Founders' Day Committee members work hard all year to make the event a success! The committee attends to all the details from the layout and design of the festival, food vendors, entertainment, fireworks display, the carnival, and various activities that make the Glendale Heights Fest one of the premier festivals in the County.

Golf Course Committee

The Glendale Lakes Golf Club is an 18-hole public golf course that is owned and operated by the Village of Glendale Heights. Members of the Golf Course Committee make recommendations on golf rates, golf course conditions and improvements, marketing, and any other topics that relate to the operation of the golf course and banquet facility.

Historical Committee

The Historical Committee was formed in 2000 for the purpose of documenting the history of the Village and restoring the Glendale Heights Historic House. The members volunteer their time to conduct tours of the Historic House, as well plan special events that are held in the house each year.

Parks & Recreation Committee

The Parks and Recreation Department is responsible for providing enjoyable parks and programs for the entire community. Members of the Parks and Recreation Committee make recommendations to the Village Board on park and facility capital improvements, programs, user fees, and rental policies.

Senior Center Advisory Council

This committee was formed in 2011 to serve as an advisory committee to identify the growing needs of the senior population in our community. They assist with establishing comprehensive services and to improve the quality of life for senior citizens now and into the future.

Property Enhancement Committee

The Property Enhancement Committee members assist the Department of Community Development with monitoring businesses and residences for maintenance violations or needed improvements on properties within the Village.

Community Emergency Response Team (C.E.R.T.)

C.E.R.T. is a great training opportunity that is offered by the Police Department that prepares residents to help themselves and their neighbors in the event of a disaster. Trained C.E.R.T. volunteers have the skills to help emergency responders save lives and protect property. Watch for articles in the Village newsletter or on the Village website for the dates and times for the next C.E.R.T. training program!

Glendale Heights Youth Commission

The Mission of the Glendale Heights Youth Commission is to assess the needs of the youth in the community, collaborate in the development and facilitation of community-wide efforts to benefit youth and coordinate available youth services for improving the welfare of our youth and their families. The GHYC will also provide a resource to our young residents that will foster and encourage positive growth, healthy lifestyles and development of social, emotional, educational and recreational skills.

Citizens Corps Council

The mission of Citizen Corps Council of Glendale Heights is to unite the strength of every citizen by means of education, training, and volunteer service to make our community safer, better prepared, and determined to the response of crime, all kinds of disasters, including threats of terrorism.
