Village of Glendale Heights Present Life Saving Award to 4th Grade Student

On Sunday, 11/1/15, at 1:16am, Glendale Heights officers were dispatched to the home of 10-year-old Jennifer Dominy to assist the Glenside Fire District with a 45-year-old male subject having chest pains. When Officer Paul Jimenez arrived he found Jennifer Dominy performing CPR on her father who was unresponsive in the hallway of their home. Jennifer had called 911 and was acting under that 911 operator's instructions. The officer and paramedics took over CPR until paramedics could transport him to Adventist Glen Oaks Hospital where he made a full recovery.

Paramedics credited Officer Jimenez and Jennifer Dominy with saving the man's life and Officer Jimenez was awarded a Departmental Life Savings Award in December at a village board meeting. Jennifer was not able to make that meeting so arrangements were made for Mayor Linda Jackson to present her a Citizens Special Recognition Life Saving Award today during an assembly at Americana School in Glendale Heights.
