One Stop Re-use & Recycling Depot scheduled for April 27

Glendale Heights, Illinois (April 24, 2013) - Do you have unwanted, obsolete items cluttering your garage, storage and living areas? The Village of Glendale Heights is sponsoring a "One-Stop, Re-use & Recycling Depot" held on Saturday, April 27 from 8:00 am to noon in the Glendale Heights Public Works parking lot located at 1615 Glen Ellyn Road. Accepted items include electronic equipment, batteries, holiday lights and small scrap metal for recycling. Additional items that will be collected for re-use include bicycles, glasses, cell phones and medical equipment. Torn and tattered US flags will be accepted for retirement. On-site document shredding services will also be available. Hazardous materials, paint and CFLs cannot be accepted.
