17th Annual Family Health & Safety Fair

Glendale Heights, Illinois (September 23, 2013) – Come on out for the area's premiere Family Health and Safety Fair! This Glendale Heights staple event will be held on Wednesday, October 2nd from 5:00 – 8:00pm at the newly designed Sports Hub located at 250 Civic Center Plaza in Glendale Heights.

This free community event offers a Teddy Bear Clinic, Flu Shots, Health Screenings including: Blood Pressure, Body Fat, Diabetes, Strength & Fitness testing and vision screening, child ID cards and much more! Drawing in more than 1000 people, this event features 80+ vendors and booths from all over the Chicago-land area. New to this year's Family Health and Safety Fair will be Adventist GlenOaks Hospital's Pink Zone for Women's Health, focusing on the many types of cancer that affect so many women today.

This event is sponsored by Marquardt School District 15, Adventist GlenOaks Hospital, Queen Bee School District 16, Village of Glendale Heights, Glenside Fire Protection District, Glenside Public Library District, Bloomingdale Fire Protection District, Chicago Blower Corporation, and Glenbard Township High School District 87.

For more information, call Debbie at 630.260.6050.
