Going Green Thanksgiving

Glendale Heights, Illinois (October 31, 2013) – Recycle your Cooking Oil into Bio-Fuel this Thanksgiving! On November 30, 2013 from 8:00 am to 12:00 pm, stop by the Glendale Heights Public Works building located at 1615 Glen Ellyn Road in Glendale Heights to recycle any of your leftover grease from your Thanksgiving meal. Bring any of your used cooking oil in a milk jug, 5-gallon bucket, or container you originally bought it in.

Cooking oil sticks to sewer pipes and drains causing clogs and breaks that are costly for homeowners and cities to fix. Grease can also interfere with water treatment at sanitary facilities.

All cooking oil will be recycled by Green Grease Environmental. Cooking oils of all kind are welcome. No motor oil will be accepted.

For more information or questions, please contact Scarce at (630) 545-9710.
