One Stop Re-use & Recycling Depot

Glendale Heights, Illinois (March 21, 2014) – Do you have unwanted, obsolete items cluttering your garage, storage and living areas? The Village of Glendale Heights Green Team is hosting a “One-Stop, Re-use & Recycling Depot” held on Saturday, April 26 from 8:00 am to noon in the Glendale Heights Public Works parking lot located at 1615 Glen Ellyn Road.

Accepted items include:

- Electronic equipment
- Household batteries
- Car/boat/sump pump batteries
- Broken holiday lights
- Medical equipment for the Re-use program
- Cell phones for re-use program
- Textiles
- Retired US Flags
- Prescription glasses
- Bikes
- Document shredding (from 10:00 am – 12:00 pm only!)
- And many more other miscellaneous items

All items will be either reused or recycled in an eco-friendly manner. Items not accepted include hazardous waste, paint, or CFL's. For more information on the One Stop Reuse & Recycling Depot, please visit www.glendaleheights.org/goes_green.
