Glendale Heights Neighborhood Watch Spreading Mental Health Awareness to its Residents

Glendale Heights, Illinois (May 12, 2016) – On Wednesday, May 25th at 7:30 pm, the Village of Glendale Heights Police Department Neighborhood Watch will welcome Vision for a Change as they present on Mental Health and what you should do before, during and after an event.

Across the country, communities are having a nationwide conversation on Crisis Intervention Training (CIT) for the police to better respond to those in a mental health crisis. However, there has been silence on how the community can play a significant role to help the police too. Discover local community resources that can help educate and support individuals and families in need.

The presentation will take place at the Village of Glendale Heights at 300 Civic Center Plaza and is free to the public. For more information, please contact the Glendale Heights Police Department's non-emergency number at (630) 260-6070 or visit www.glendaleheights.org.
