Letter from the Village President

300 Civic Center Plaza • Glendale Heights, IL 60139
630.909.5303 • ljackson@glendaleheights.org

Dear Residents,

With fall quickly approaching us and summer slowly fading in our rear view mirrors, I want to take a moment to thank all of our residents for helping us celebrate the Village of Glendale Heights' 60th anniversary on Saturday, July 13th. Glendale Heights Fest was bigger and better than ever with added rides, a new layout, and of course, a fireworks show that people are still raving about months later. Although we reflect on the memories of just a few months ago, we need to continue to remember how far we've come as the Village of Glendale Heights over the past 60 years. With our school children returning to classes, we need to always remind them of our past and the rich history we have right here in Glendale Heights.

As we plan ahead for an extremely busy September and October, I'd like to point out a few upcoming events that are all listed throughout this Newsletter. We begin with the Patriot Day Ceremony on September 11th, where we remember those we lost on that tragic day. We then celebrate Oktoberfest from September 12th through September 22nd with 11 straight days of authentic German food, drinks and music brought to you by Chef Wolfgang and Schnitzel Platz Restaurant. We also have the Show & Shine Car Show and Swap Meet and Community Garage Sale on Sunday, September 15. We then round out the month of September with the annual Fishing Derby and Harvest Fest on Saturday, September 28th. From there, we look ahead to October where we start with the Family Health and Safety Fair on Wednesday, October 2nd and then we finish off October with all of our Halloween events and programs!

Additionally in September, the Glendale Heights Center for Senior Citizens will be celebrating National Senior Center Month. All month long, they will be having various activities and prizes for their members. And to put the cherry on top of National Senior Center Month, they will be celebrating with an ice cream social! Membership is free to all Glendale Heights residents who are 60 years or better. Stop by the Center to learn more about what they have to offer!

I hope you all have a great fall season! If you have any questions, comments or concerns, please do not hesitate to contact me during regular office hours at 630.909.5303 or send me an email to ljackson@glendaleheights.org, or I encourage you to stop by our community events and come say hi. I also invite you for coffee at the Center for Senior Citizens with myself and your Village Board of Trustees on the first Saturday of each month. We are always here to serve you and make sure the community strives for a better tomorrow! Enjoy the fall season and I look forward to seeing you soon!

Sincerely,

Linda Jackson
Village President

Coffee with the Mayor & Board

Coffee with the Mayor & Board is held on the first Saturday of each month* from 10:00 am to noon at the Center for Senior Citizens. **The next Coffee with the Mayor & Board is scheduled for September 7th and October 5th.** If you are unable to attend and have a comment, suggestion or question, please call the Mayor's Office at 630.909.5303.

Authentic German Food & Oktoberfest Bier,
Live Bands, Dancing, Entertainers & More!

Join us for the 8th Annual Glendale Heights Oktoberfest held at Camera Park, 101 E. Fullerton Avenue. Oktoberfest will feature authentic German food prepared by renowned Chef Wolfgang of the acclaimed Schnitzel Platz Restaurant. We will also offer authentic Oktoberfest Bier imported directly from the Hofbräu Brewery in Munich, as well as beer from the oldest Brewery in the world, Weihenstephan Hefe Weiss Bier and the wonderfully refreshing Schoefferhofer Grapefruit Hefeweizen Mix. To finish off your meal, there will be an assortment of wonderful German and Austrian pastries available.

Experience live entertainment daily including strolling German “Oompah” entertainers. Entertainment also includes Paloma, the Tempos, the Elmhurst College Jazz Band, Alpine Thunder, the Lustige Blasskapelle, the Illinois Brass Band and more!

There will be a pumpkin patch, plant sale and many more activities for the whole family to enjoy. To round out the Glendale Heights Oktoberfest experience, there will be vendors with German products, souvenirs, hats, steins, and much, much more.

One of the authentic features of this festival are the VIP boxes—just like the ones found at the Munich Oktoberfest. We invite you and your organization to experience the VIP treatment without the passport and the long flight. The VIP Boxes are special reserved areas strategically located under the grand festival tent to provide guests with a setting that will assure total “Gemütlichkeit”. VIP seating is limited and available by reservation only. Each table seats up to ten adults. The VIP section is perfect for corporations, clubs and organizations. Seating includes: Festival admission for your group, VIP parking, premium VIP seating with wait staff service, meal served on china, appetizer platter with pretzels and other German delights, meal voucher and two drink vouchers. Space is limited and reservations go quickly. On Fridays and Saturdays, the VIP packages are \$80 per person. On Sunday through Thursday, the VIP packages are \$60 per person. Advance payment is required in order to guarantee your VIP reservation to the Glendale Heights Oktoberfest.

For more information, please call 323-SPRETZEL (323.577.8935).

Enter to Win!

Win a Trip to Germany and a VIP Brewery Tour!

This year we will have a raffle for a trip to Germany and VIP brewery tour for two. To enter, purchase a beer in the souvenir stein and you will be entered in the daily drawing. The winner of each of the 10 daily drawings will be put into the final drawing which will take place on September 22nd when we will pick the lucky grand prize winner.

Dispose of Used and Old Fishing Line

In an effort to keep our ponds clean and to protect the wildlife that inhabits the areas around our catch and release ponds, the Village of Glendale Heights will be installing fishing line recycling containers at Lake Becerra, Mill Pond and Gladstone Park. These containers are for old fishing line that can harm wildlife and create tripping hazards around the ponds. Please help to keep our ponds clean and safe. Also remember, there is no swimming, ice skating or boating in any of the parks.

Promoting "Fuller, Stronger, Longer Lives"

September is National Senior Center Month!

The 2019 theme is Senior Centers: The Key to Aging Well. This theme will emphasize your ability for **Growing, Learning, Giving and Connecting**.

During the month of September, we will be celebrating YOU at the Center. Join us each week for surprise treats and activities. If you are a resident of Glendale Heights, 60 years or better, your annual membership to the Center is free and non-residents can join for just \$25 for a year. At the Glendale Heights Center for Senior Citizens, members will receive the quarterly Senior Newsletter mailed directly to their household and will be eligible to participate in an array of activities at the Center every day, including use of the library, game room and craft room. A membership also allows you access to use the walking track and walk the upstairs hall at the Sports Hub during the week day hours. Bocce ball and lawn bowling are also available for members in the field house at the Sports Hub. One of the greatest benefits of a membership is friendship. Join the center to reconnect with old friends and to make new ones.

Please see Center staff for more information.

Super Senior Mobile Unit

Why do golf courses *Aerify*?

Over time, aeration keeps the greens healthier. Aeration loosens soil that has been compacted by golfers, carts, and lawn machines. This opens up growing room for the roots and increases oxygen to the roots which ultimately leads to healthier looking greens!

Pumpkin Brownies Recipe

Ingredients

1/2 cup butter
6 oz. semi sweet or bittersweet chocolate chopped
2 cups all-purpose flour

1 tsp baking powder
1 tsp salt
1 1/2 cups sugar
4 large eggs at room temperature
1 1/4 cups pumpkin puree not pumpkin pie mix
1/4 cup vegetable oil
1 tsp cinnamon
1 tsp pumpkin pie spice
1/3 cup chocolate chips for top optional

Instructions

1. Preheat oven to 350 degrees. Line a 9x9 baking pan with foil or parchment paper. Spray bottom of lined pan with non-stick oil.
2. In a heavy pot on low heat, melt butter and chocolate, stirring until smooth and melted. Remove from heat and set aside.
3. With an electric mixer, combine sugar and eggs and beat until very well combined. Add in flour, baking powder, salt, and stir until combined, but do not overmix.
4. Divide egg, sugar and flour mixture evenly into two bowls. To one bowl, add melted chocolate mixture and stir until combined. In the other bowl, add pumpkin, oil and spices to the mixture and stir until combined.
5. Layer pumpkin and brownie batters into the 9x9 pan, and use a knife to swirl the batters together. If adding chocolate chips to the top, sprinkle on top of the batter. Bake for approximately 40-45 minutes or until a toothpick inserted into the center comes out almost clean. Allow to cool on a wire rack prior to serving.

Summer Construction Nearly Complete

This year, the Village is constructing seven roads under the 2019 MFT Road Program, using revenue from the state's Motor Fuel Tax. Portions of Almond Lane, Windy Point Drive, Paul Avenue, Charles Drive, Brookside Drive, Van Meter Street, Montana Avenue and Chadwick Lane were constructed under this summer's program. The construction consisted of storm sewer improvements and repairs, curb, sidewalk, driveway aprons, and road paving.

The construction is expected to be concluded in September.

Fall Car Care Tips

Tire Pressure: For an accurate reading, check tire pressure when the tires are cold. Driving even a mile can affect the psi reading.

In-House Street Sweeping

The In-House Street Sweeping program begins on a weekly basis for all Sweeping Zones starting Tuesday, October 1st through the month of November, weather permitting. The Village street sweeper will be aided by supplemental contracted sweepers to complete all zones each week. There are color coded "No-Parking" signs in each zone to indicate the day that the parking restrictions are in effect. Please remove all vehicles from the roadway on the Sweeping Zones designated day of the week between 8:00 am and 4:00 pm. This will aid the Village in efficiently street sweeping each of the zones. For more information on the Street Sweeping program, please visit www.glendaleheights.org or call 630.260.6040.

Improvements to the Water Pollution Control Facility

The WPCF completed the final phase of rebuilding the Facility's Influent Screens this summer. They are the first part of the Plant's process. The screens remove large rags, sticks, concrete, rocks, bottles & cans that would do damage to the pumps and other equipment in the facility. Screenings are placed into an auger press, squeezing out excess water and organic matter from the debris, and then placed into plastic wrapping and disposed of in a dumpster, then taken to the landfill for disposal.

Water Facts

DID YOU KNOW?

There is the same amount of water in the world today as there was when the earth was formed. The water that comes out of your faucet today could have been part of a glacier that carved the face of the earth years ago. Possibly it could have been part of the oceans when the Vikings set sail to explore the New World. Water is the only substance naturally found in all three states on earth (solid, liquid, and vapor).

Nearly 70% of the Earth's surface is covered by water but less than 3% is drinkable. The Oceans hold about 97%, and the Glacier's and polar ice caps hold another 2%. This leaves less than 1% of the world's water for uses such as agriculture, manufacturing, community and personal needs.

The polar ice caps contain 77% of the world's fresh water supply and another 22% is trapped in the ground. This leaves only 3% of the world's fresh water supply in lakes and rivers.

Out of all the water produced for human consumption less than 1% is actually consumed. Nearly 40% of our water is used outdoors for landscaping and cleaning, another 30% is flushed down the toilet, almost 19% goes down the drain during showers and baths, and about 10% is used for washing our clothes and dishes, this leaves about 1% for cooking and drinking.

If you would like to learn more water facts or how you can conserve water, visit www.epa.gov/watersense

Ruin a Bad Guy's Day

**IF YOU SEE

Report Suspicious Activity

The Glendale Heights Police Department consistently counts on residents to be the eyes and ears of the department. Crime prevention is everybody's business! So, how can you help?

Most people are hesitant to call 911 to report what they saw or heard as suspicious. Yes, what you saw could have been nothing. However, wouldn't it be better for a police officer to check and make sure? Police officers are never bothered or annoyed by suspicious activity calls. Investigating such things is a police officer's job. In Glendale Heights, dial 9-1-1 to report any in progress incident. If suspicious activity is not in progress, you can still call 9-1-1 to meet with an officer, or you can contact the police department's anonymous crime tip line at 630.260.6025. Any crime tip can be called into this number.

You can report non-emergency suspicious or criminal activity online as well to police@glendaleheights.org.

Request a Speed Traffic Trailer

If you live in Glendale Heights and feel that you have a problem with speeding vehicles in your neighborhood, you are encouraged to request the trailer to be scheduled in your area by calling Sergeant Dziedzic at 630.260.6070.

The Glendale Heights Police Department uses the speed traffic trailer to assist in combating speeding vehicles and to remind drivers to watch their speed. The trailer helps promote speed limit compliance in:

- Neighborhoods
- School zones
- Construction sites
- High caution areas

The trailer is a portable, self-contained speed display unit that is towed to the desired location. It is left on the roadway to display speeds of oncoming vehicles on a highly visible LED (light emitting diode) display.

A speed limit sign mounted on the unit reminds drivers what the actual speed limit is on the roadway that they are on. The unit also has the capability of recording the speeds of the vehicles for traffic studies.

get to KNOW US

The most important asset the Police Department possesses is the human asset, our Officers. An important aspect of the department's Community Oriented Policing (C.O.P.) philosophy is to have the Officers involved in as many community activities as possible so that citizens can place a name and person behind the badge.

In order to facilitate this, we have initiated a new section of the Village newsletter titled "Get to Know Us". In future newsletters, we will introduce you to "your Officers". Officers will give you a small bio on themselves, why they became Glendale Heights Police Officers and what their responsibilities are at the Department.

Meet Officer Bernal #386

"I am 1st Generation Mexican-American. I was born in Escondido, California. My family moved to Illinois in 2003. I attended Lewis University in Romeoville where I obtained a Bachelor's in Criminal Justice and Minor in Athletic Coaching. In 2014, I obtained my Masters in Public Safety Administration at Lewis University. I enjoy running, baseball, soccer and landscaping. I also love to eat tacos!

The Glendale Heights Police Department hired me in 2015. I came to work here because this Village gave me the opportunity to live out a childhood dream. I have truly grown to enjoy working here. Growing up, many life experiences left no doubt that I wanted to be a police officer. I always do my best to treat everyone I encounter, as I would want one of my family members in a similar situation to be treated."

Safety Town Halloween

Thursday, October 31 • 4:00 pm - 7:00 pm
Safety Town • 16 years old and younger

The Glendale Heights Police Department encourages children to trick-or-treat down the streets of Safety Town this Halloween! There will be friendly ghosts and goblins, fairies and witches, and other characters to treat each child. Make sure to pass through the Safety Town Schoolhouse for a spooky trick! Children should bring a container or

bag to collect candy. The police department is accepting candy or monetary donations for this event, which may be dropped off at the police department any time before Halloween. Should you have any questions, please call Community Outreach Specialist Tanya Macko at 630.909.5459.

Halloween SAFETY TIPS

Always **CHECK CANDY** before letting your child eat it. Avoid homemade treats made by strangers.

Make sure your children's costumes are properly sized to **AVOID FALLS AND TRIPPING**.

Have children wear **REFLECTIVE MARKINGS** or carry a **FLASHLIGHT** so they can be seen.

Always **ACCOMPANY YOUR YOUNG CHILDREN** when they are trick or treating.

Use **NON-TOXIC MAKE-UP** on your child instead of a mask so vision is not limited.

Keep kids on a sidewalk or path and don't let them dash across the street or to the next house. Always walk together and cross at a street corner.

Character Counts! Red Ribbon Week!

October 13 through 19 is CHARACTER COUNTS! and Red Ribbon Week

One of the greatest building blocks of character is citizen service. The future belongs to those who have the strength of character to live a life of service to others. Celebrate your good character throughout the year, and especially during **CHARACTER COUNTS!** Week.

Red Ribbon Week is the celebration of a drug free life. Please join the Glendale Heights Youth Commission in setting a positive example for the youth of our community by wearing a **Red Ribbon** or displaying a **Red Ribbon** at your home or business. **Red Ribbons** will be available at the Sports Hub, Center for Senior Citizens and Police Department beginning Monday, October 7th during regular business hours.

For more information about **CHARACTER COUNTS!**, **Red Ribbon** Week or the Glendale Heights Youth Commission, contact Tanya Macko at 630.909.5459 or tanya_macko@glendaleheights.org.

October 7 - 13

The Bloomingdale and Glenside Fire Protection Districts are teaming up with the National Fire Protection Association (NFPA)—the official sponsor of Fire Prevention Week for more than 90 years—to promote this year's Fire Prevention Week campaign, "Not Every Hero Wears a Cape. Plan and Practice Your Escape!" The campaign works to educate everyone about the small but important actions they can take to keep themselves and those around them safe. NFPA statistics show that in an average year, fire departments respond to 357,000 home structure fires. These fires cause 2,630 fire deaths and 10,600 fire injuries. On average, seven people died in a fire in a home per day. If you would like to make an appointment for a fire station tour or have firefighters visit your civic group or organization, please call the Glenside Fire Protection District at 630.668.5323 or the Bloomingdale Fire Protection District at 630.894.9080.

Refuse/Recycling Holiday Collections

In observance of the Labor Day holiday, residents are advised of a change to their regular schedule for refuse and recycling collections. Republic Services will follow their Holiday Pick Up Schedule. All pick up days are delayed by one day for all customers who are scheduled on the day of, or following a holiday. For information related to recycling, please visit www.recyclingsimplified.com. For service related questions, please call Republic Services at 847.981.0091.
