

VILLAGE NEWS

November/December 2019

Glendale Heights, Illinois

Linda Jackson, Mayor

Tree Lighting Ceremony

**December 2 • 7:00 pm
Village Hall Front Plaza**

The Village of Glendale Heights invites the community to the annual Tree Lighting Ceremony as we bring in the holiday season! Holiday decor and lights will decorate the Civic Center Campus. Enjoy the sounds of the holidays through the performance of Glendale Heights' choral groups and share the holiday spirit as Mayor Linda Jackson and special guest Santa Claus illuminate the Civic Center Complex with just a flick of the switch! Then be sure to stop by the Council Chambers after the ceremony to warm up with free refreshments.

Victorian Christmas

**December 9 • 6:30 pm - 8:30 pm
Historic House • 311 Windy Point Dr.**

Visit the Historic House at 311 Windy Point Drive and experience what a "Victorian Christmas" might have been like 100 years ago!

Admission is free and refreshments will be served. Tours of the house will be offered and children will have the opportunity to make a Victorian decoration to take home.

Breakfast with Santa

December 14 • 9:00 am - 11:30 am • Glendale Lakes Golf Club

Come visit Santa Claus and tell him what is on your wish list while having an all-you-can-eat pancake breakfast. The price of an adult breakfast is \$5 and a children's breakfast is \$3. Photos with Mr. & Mrs. Claus are \$2.

No registration is required and the event fee is paid at the door.

HONORING ALL WHO SERVED VETERANS DAY

November 11 • 11:00 am • Veterans Memorial Park

A ceremony will be held at Veterans Memorial Park, 220 Civic Center Plaza at 11:00 am on Veterans Day. The event includes a flag and color guard presentation, rifle salute and a tribute to our fallen warriors.

Village of Glendale Heights offices will be closed on Monday, November 11 as we honor all military personnel, past and present. For more information, please call the Mayor's Office at 630.909.5303.

Water Meter Replacement Program (Continued on p. 6)

Throughout the next year, the Village of Glendale Heights has contracted with Water Resources, Inc. to replace approximately 8,900 water meters and water meter reading devices throughout Glendale Heights residential and business properties.

More information is available on p. 6, visit www.glendaleheights.org/watermeter, or call Public Works at 630.260.6040.

Letter from the Village President

300 Civic Center Plaza • Glendale Heights, IL 60139
630.909.5303 • ljackson@glendaleheights.org

Dear Residents,
Season's greetings and happy holidays! I am very excited for the holiday season as it is a time to come together as a community, as friends and as family. The holidays are a time to support each other and remember those in need especially those in difficult times. However, we must be reminded that we should always support each other, we should always be kind and neighborly, and be there for those who need it the most. I ask that you remember this at our upcoming events like Christmas Sharing, which truly represents giving back to those in need. I want to thank all of the community groups, local businesses, volunteers, committee and commission members, and the Glendale Heights community for being kind to each other, lending a hand, and coming together to help us grow this place we call home.

I'd like to remind all of you of some of the upcoming events we have planned for the next couple of months. On November 11th, we will be having our Veterans Day Ceremony at Veterans Memorial Park starting at 11:00 am. Christmas Sharing trees will also be ready on November 18th at various Village facilities. Finally, to bring in the

holiday and Christmas spirit, we will have our Tree Lighting Ceremony on December 2nd, Victorian Christmas on December 9th and Breakfast with Santa on December 14th. Also, please remember those who served by writing holiday cards for the military which will be due at Village facilities on December 5th.

As 2019 winds down, we have a variety of new businesses that have or will be opening their doors to the Glendale Heights community. Development continues to be a primary goal for the Village Board and I am happy to see many new establishments and industrial companies choosing Glendale Heights as their home. The North Avenue corridor continues to see major growth including the opening of Freddy's Frozen Custard and Steakburgers, along with a new Burger King and Popeye's Louisiana Kitchen opening along North Avenue. Additionally, the brand new Duke Realty Facility has a new tenant, which will provide over 100 new jobs to the Glendale Heights community. And lastly, you may have seen some work being done at the corner of President Street and North Avenue. This property is the new Venture One Business Park development where a 151,000 square foot industrial facility will be constructed.

This holiday season, I encourage all of you to give back, get involved, and remember those who can't spend their holidays with friends and family. On behalf of the entire Village Board, we would like to wish you and your loved ones a wonderful holiday season, and a healthy, happy and prosperous New Year!

Sincerely,

Linda Jackson
Village President

Coffee with the Mayor & Board

Coffee with the Mayor & Board is held on the first Saturday of each month* from 10:00 am to noon at the Center for Senior Citizens. **The next Coffees with the Mayor & Board is scheduled for November 2nd and December 7th.** If you are unable to attend and have a comment, suggestion or question, please call the Mayor's Office at 630.909.5303.

*Subject to Change

60 Facts in 12 Months Celebrating 60 years of the Village of Glendale Heights

- Since the Village's incorporation in 1959, there have been 13 Village Presidents.
- When the Village was first incorporated in 1959, the official population was 124.
- At the last U.S. Census in 2010, the Village's population was listed as 34,208. We will be holding another census in 2020 where every person matters!
- Today, the Village has 22 parks totaling 254 acres, 20 sports fields, and 21 playgrounds.
- Over the last 60 years, the Village of Glendale Heights has grown to become a Proud and Progressive Village for All people.

Christmas Sharing

Spread holiday cheer to individuals and families financially unable to purchase gifts or a holiday meal for their family this season. The Village of Glendale Heights Christmas Sharing Committee is in need of your help! Tree gift tags listing wished for items will be decorating trees located on the 1st floors of the Civic Center Complex, the Sports Hub and the Center for Senior Citizens, beginning November 18. It is the Committee's goal to have bare trees for the holiday season, so that all family members pre-registered in the program receive a gift.

Please attach the gift tag to your unwrapped gift donation(s) and return it to the Civic Center or the Center for Senior Citizens on or before December 6th. The Christmas Sharing Committee relies on the continued generosity of the community to help them meet the needs of every family who qualifies for assistance. Please call 630.260.6000, or Michelle Cahill at 630.260.6070 for further information about Christmas Sharing donations, and how you may "adopt a family."

Happy Holidays

Send Cheer to Military Personnel

While writing your greeting cards to friends and relatives, please remember our military personnel who are serving our country during the holidays.

The Village is collecting holiday greeting cards and will mail them in time for a holiday delivery. Please drop off your greeting cards to Village Hall by December 5.

Please do not decorate cards with glitter or add personal or social media information to cards. Also, do not include envelopes with cards. For more information, call 630.909.5327.

Keep the Wreath Red

Each year during the holiday season, the Glenside and Bloomingdale Fire Protection Districts participate in the statewide "Keep the Wreath Red" program. The program starts when the Fire District illuminates a Christmas wreath with all red bulbs on the fire station. During the holiday season, if there are any fires related to decorations, a white bulb will replace a red bulb on the wreath. We ask everyone in the community to help "Keep the Wreath Red" by keeping some important safety tips in mind this holiday season.

- If you use a live tree, be sure to choose a fresh tree that is not shedding needles and keep it well watered.
- Make sure Christmas and Hanukkah lights are labeled by a testing laboratory. Replace any worn sets or those with loose connections. Outside, use lights labeled for outdoor lighting. Always unplug everything before going to bed or leaving home.
- Do not use candles in decorations or displays. Keep them away from curtains or other combustible materials and never put them in windows or near exits. Keep candles out of the reach of small children.

BOOK YOUR PARTY AT THE COMMUNITY ROOM

Are you looking for a party room to rent for your winter or spring gathering? Look no further than the Center's Community Room. From kid's parties to weddings, you can book the room for any event. With lots of ample space, we can fit up to 16 tables and seat up to 130 guests!

Our friendly staff will work with you to make your party a success. Call 630.260.6050 for more information and to reserve the community room for your next event.

REPUBLIC SERVICES REFUSE COLLECTION SENIOR DISCOUNT

If you are 65 years old or better and the property owner with the Republic Services billing in your name, you are eligible for a 35% monthly discount for your Refuse Collection Services. You may also request a smaller garbage tote.

To obtain your discount, please send a letter with your name, address, account number and proof of your age including a copy of your most recent property tax bill to: Republic Services Customer Services, 5050 W. Lake Street, Melrose Park, IL 60160 or fax to: 708.498.5383. Please call Republic Services at 847.981.0091 with any questions. You can also bring the documents listed above to the Center for Senior Citizens and Center staff would be happy to assist you.

Public Works Department

1615 Glen Ellyn Road • Glendale Heights, IL 60139
630.260.6040 • www.glendaleheights.org/PW

Water Meter Replacement Program *(Continued from p. 1)*

What are we doing?

- Required replacement of residential and business water meters and reading devices
- The Village has contracted out with Water Resources, Inc. to replace approximately 8,900 water meters and reading devices
- Project expected to take up to 1-year
- Total project cost is approximately \$3.25M

Why?

- Original water meters and reading devices are from late 1990's
- Improve efficiency in reading the meters
- Improve overall water accountability
- Provide more information

What YOU need to do

- You will not get your letter to schedule your appointment right away as they are dependent on your route
- A map located at www.glendaleheights.org/watermeter is available indicating when your route will be approximately done
- Upon receiving the letter, schedule an appointment by calling the number on the letter, Monday through Friday 8:00 am to 5:00 pm, or Saturday, 8:00 am to noon or visit www.watermeterexchange.com (but only once you receive your letter in the mail)
- **The installation is at NO cost to you!**

Preparing for the Installation

- A person over the age of 18 years must be present
- Know the location of the water meter and reading device
- Make sure there is a four foot radius around the water meter so the installer has room to work
- And please secure your pets

The Install

- The installer will need to shut off the water at the main shut off valve
- The installer will replace the old meter with the new one
- A new communication wire will be installed
- The water will be turned back on and the water meter will be tested for any leaks
- A new reading device will be installed on the outside of your home
- A test reading will be done to confirm a read can be obtained

Main Shut Off Valve Replacement *(Optional)*

- If the valve inside your property does not work/operate, the installer still needs to temporarily shut off your water at the outside valve (typically located near the curb)
- You can replace the inoperable valve inside your property at a fixed cost negotiated by the Village and Water Resources, Inc.
- This cost is the responsibility of the property owner and payment is due to Water Resources, Inc. at the time of the installation

Cost is dependent on the size of the valve

- 3/4" Valve \$180.00 each (Typical residential size)
- 1" Valve \$190.00 each
- 1 1/4" Valve \$350.00 each

For more information, FAQ and video of the install, please visit:
www.glendaleheights.org/watermeter
or call Public Works at 630.260.6040

Public Works Department

1615 Glen Ellyn Road • Glendale Heights, IL 60139
630.260.6040 • www.glendaleheights.org/PW

In-House Road Program Update

The Public Works Streets Division undertook the annual In-House Road Program this past season along with parking lot improvements at Ollman and Nazos Parks.

The In-House Road Program undertook Easy Court, Goodrich Avenue (Easy Street to Leslie Lane), Towner Court, and Chadwick Lane. The program consisted of repairing storm sewer structures, removing and replacing structurally damaged sidewalks and curbs, as well as installing ADA compliant detectable warning tiles at intersections on each roadway prior to resurfacing of the roadways.

The parking lot improvements consisted of storm sewer work and curb replacements. At the Ollman Park parking lot, the Streets Division added an entirely new storm sewer system in the parking lot to convey storm water runoff to the existing system. Portions of the curbs in the parking lot had to be replaced and set on a new grade to provide proper flow of storm water runoff to the new storm sewer system. At the Nazos Park parking lot, the Streets Division repaired the storm sewer structures and curbs to provide proper flow of storm water runoff.

2019 MFT Road Project

This year the Village completed the construction of seven roads under the 2019 MFT Road Project, using revenue from the state's Motor Fuel Tax. East Montana Avenue, Van Meter Street, Brookside Drive, Paul Avenue, a portion of Windy Point Drive, Almond Lane, and Charles Drive were constructed under this summer's program. The construction consisted of storm sewer improvements and repairs, sidewalk and curb improvements, and road paving.

Winter Tips from the Fleets Division

As we approach the colder months, the Fleets Division will be finalizing the preparation and installation of all the snow and ice equipment. Each year, the goal of Public Works is to clear the roads in the most efficient manner with the lowest impact to the environment. Each truck is carefully calibrated to ensure the correct amount of salt is applied to the streets without over salting. Safety for the residents and commuters traveling through Glendale Heights is always the primary concern.

The Fleets Division likes to remind everyone to drive carefully and be prepared for breakdowns. Being stranded in the warm weather can be an inconvenience, but in cold weather can be dangerous. Take your car in for an inspection and be sure it is ready for the weather. Keep a spare blanket in the car and keep all fluids at the recommended levels. Keeping the fuel tank at least half full ensures you will not have icing issues. Make sure you have plenty of windshield solvent in the reservoir, and it's always a good idea to have extra in the car. Happy and safe travels this holiday season!

Snow Plow Operations During a Snow Event

With the winter season upon us, the Streets Division will outfit nine large dump trucks, six small dump trucks, and ten pickup trucks with snow plows and anti-icing equipment. Public Works utilizes road salt and liquid de-icing materials to assist in clearing the roadways and providing safe travel conditions. All vehicles that have de-icing equipment will be tested for proper functionality and will be calibrated to perform properly, which will conserve de-icing materials throughout the entire winter season.

The Village has 76 center line miles of roadway and 147 cul-de-sacs and dead-ends which will be strategically cleared during a snow event. The Village roads are sectioned into eight snow routes and each will have a designated large truck to undertake the clearing of snow and de-icing. Each snow route has a defined primary (arterial road) route and a secondary (collector road) route. In the case of a winter storm event with measurable accumulation of snow, there will be additional trucks dispatched to undertake the clearing of snow from cul-de-sacs and dead-end streets.

For parking restrictions during and after a snowstorm, please see page 9 (Parking Info). For any questions or concerns you may have regarding the Village's Snow and Ice plan, please contact Public Works (Snow Command) at 630.260.6068.

Winter Time at the Water Pollution Control Facility

The colder weather can cause a wastewater treatment plant (WTP) to have issues almost overnight. Bacteria do not reduce biological oxygen demand (BOD) or reproduce as effectively during the colder months of the year. They generally favor temperatures between 68° F and 95° F. That is why WTP upsets tend to be more problematic during the winter because the bacteria are less active. And while temperatures cannot be fully controlled within a Plant, there are a few things we can do ahead of time to ensure our system is as healthy as possible during the winter to boost microbial activity. One way to ensure a healthy Plant during the winter is to keep higher amounts of bacteria in the system. This will help break down the incoming BOD and keep the Plant in compliance with State and Federal Regulations.

From the Chef Thanksgiving Turkey Tips

- 1. Choose a fresh turkey instead of a frozen one.** Ice crystals that form during freezing damages a turkey's muscle cells. When the bird thaws and roasts, fluids leak more readily from the damaged cells, drying out the meat.
- 2. Roast two small turkeys rather than one large one.** Smaller turkeys roast more evenly than large ones, so for feeding a crowd, two small turkeys are a better option. They will cook quicker, too.
- 3. Brine the turkey.** A turkey soaked in a salt-water solution absorbs both the salt and the water, so it is moister to begin with, as well as seasoned on the inside. You can flavor a brine as well.
- 4. Rub soft butter under the skin.** As it melts, it bastes the turkey and adds buttery flavor. For even more flavor, you can add herbs and spices to the butter. Use onions, parsley, lemon zest, and a little paprika.
- 5. Truss loosely, or not at all.** Legs tied up tightly against the sides of the turkey take longer to roast, putting the breast meat in jeopardy of overcooking while the legs take their time.
- 6. Roast the turkey upside down at first.** Placing the turkey, breast side down, on a V-rack for the first hour or so of roasting essentially allows it to baste itself. Any marks left by the rack will disappear once you flip the turkey over and finish roasting it.
- 7. Don't overcook it.** Use a thermometer, either instant-read or probe-style, to monitor the temperature in the thickest part of the thigh (be careful not to hit the bone). You are aiming for 167°F.
- 8. Let the turkey rest before carving.** The intense heat of the oven forces the juices into the center of the bird, so after roasting, let the turkey rest for roughly 20 minutes. The juices will redistribute and you will get moister slices.

Emergency Help: 911 • Non-Emergency: 630.260.6070
www.glendaleheights.org/police

Parking Info

The Glendale Heights Police Department would like to remind you of a couple of parking regulations within the Village.

"Parking - Sidewalks" - Village Ordinance 7-7-5(J)

"Within any sidewalk area; residents may park, on each owner's driveway, across the sidewalk between the hours of 10:00 p.m. and 7:00 a.m., or within twenty-four (24) hours after a snowfall of one inch (1") or more has occurred from November 1st through March 31st."

"Parking During Snowfall" - Village Ordinance 7-7-8

"It shall be unlawful to park any vehicle on any public street designated as a snow route in the Village at any time within twenty-four (24) hours after a snowfall of one inch (1") or more has occurred." "It shall be unlawful to park any vehicle on any other public street in the Village at any time within twenty-four (24) hours after a snowfall of two inches (2") or more has occurred." "In the event of a continuous heavy snowfall of five inches (5") or more having occurred, it shall be unlawful to park any vehicle on any public street in the Village at any time within a period of seventy-two (72) hours after such snowfall."

get to KNOW US

The most important asset the Police Department possesses is the human asset, our Officers. An important aspect of the department's Community Oriented Policing (C.O.P.) philosophy is to have the Officers involved in as many community activities as possible so that citizens can place a name and person behind the badge. In order to facilitate this, we have

initiated a new section of the Village newsletter titled "Get to Know Us". In future newsletters, we will introduce you to "your Officers". Officers will give you a small bio on themselves, why they became Glendale Heights Police Officers and what their responsibilities are at the Department.

Meet Officer Munoz #398

"I began my career as a Glendale Heights Police Officer in December of 2017. The road to becoming a police officer was not easy. It took a couple years before I finally found my calling in Glendale Heights. As a kid, I always wanted to become a police officer; since September 11, 2001, to be exact. Since then, I grew up with many reasons for wanting to wear a police uniform: To help the community, to provide assistance to those in need, to build a better relationship with our residents, and to make sure everyone lives in peace.

One personal reason that has always given me the strength and will power to do this job to the best of my ability was to make my parents proud; proud that their son achieved his life-long dream. I always told my parents I wanted to become a police officer and they worked hard to provide me all the necessities for my accomplishments. My parents never failed me, and I do not want to fail them. The Village of Glendale Heights gave me the opportunity to live my dream as a police officer and for that, I will always be thankful."

Glendale Heights *S.E.E.S.* (Second Eyes Evidence Sharing)

The Glendale Heights Police Department wants your help solving crimes!

Officers spend a great deal of time determining if an offender may have been captured on cameras nearby, during or while leaving the scene of a crime. With camera systems becoming more and more prevalent, we are asking Glendale Heights residents and businesses to make the Police Department aware of their surveillance systems to help expedite the investigation and catch criminals!

This program is voluntary! Signing up is accomplished by going to the Glendale Heights Police Department webpage and completing a very brief online form.

- Your information will be available for investigators should they ever need to contact you and ask for your help with solving a crime.
- Anything you provide is treated as completely confidential.
- We will not contact you unless an officer or detective is investigating a crime in your area.
- We only want to know about cameras that view public areas such as streets and sidewalks.
- Signing up is only to advise the police department of the location of your cameras; no remote access or live viewing will occur.

If a serious crime takes place in your neighborhood, you can help your neighbors and the community with your voluntary participation. We hope that you will! Still have questions? Contact Community Outreach Specialist, Tanya Macko at tanya_macko@glendaleheights.org or call 630.909.5459.

Street Sweeping Continues through November Parking Restrictions are in effect!

Street sweeping parking restrictions continue through the month of November on one specific day each week from 8:00 am to 4:00 pm. Note: After hearing the concerns of our residents, Mayor Jackson and the Village Board of Trustees have approved to allow residents to park parallel to the street on your driveway apron (section of the driveway between the sidewalk and the street). This will allow sidewalks to be clear for residents to walk on the sidewalks, but still allow street sweepers to clean the streets of any debris and leaves for safe driving, keeping our storm drains clear to the best we can, and for clean roadways. If you have any questions on street sweeping parking, please contact the Glendale Heights Police Department's non-emergency number at 630.260.6070.

Warming Shelters

The Glendale Heights Police Department is asking residents to please check on their relatives and friends to assure they are not in need of assistance due to the extreme weather conditions. Glendale Heights has a warming shelter in place and is ready to assist the needs of our residents should the need arise. For information call the Glendale Heights Police Department's non-emergency number 630.260.6070. As a reminder, in ANY emergency you should always call 911 for immediate assistance.

Village Offices Closed

- Veterans Day**
Monday, November 11
- Thanksgiving Holiday**
Thursday, November 28
Friday, November 29
- Christmas Holiday**
Tuesday, December 24
Wednesday, December 25

Wednesday, January 1, 2020

Refuse/Recycling Holiday Collections

In observance of the Holidays, residents are advised of a change to their regular schedule for refuse and recycling collections. Republic Services will follow their Holiday Pick Up Schedule. All pick up days are delayed by one day for all customers who are scheduled on the day of, or following a holiday.

Thanksgiving Holiday

Thursday's regular route is collected on Friday, 11/29
Friday's regular route is collected on Saturday, 11/30

Christmas Holiday

Thursday's regular route is collected on Friday, 12/27
Friday's regular route is collected on Saturday, 12/28

New Years Day Holiday

Thursday's regular route is collected on Friday, 1/3/20
Friday's regular route is collected on Saturday, 1/4/20

For service related questions, please call Republic Services at 847.981.0091.

Business License Renewal

Business license renewal forms, along with important information for Glendale Heights businesses will be mailed in early November. Please review the form carefully and complete or correct the information, then return the form with the appropriate payment by December 31st to the Village of Glendale Heights, attention Business License. If you do not receive the renewal form by November 30th or have any questions, please call Community Development at 630.260.6030.

Yard Waste Collections

Yard waste such as leaves, grass clippings, twigs, branches, brush and other plant material are collected from single-family residences on the same day as solid waste and recycling between the months of April and November.

The final yard waste collection for the season is Friday, November 29 and Saturday, November 30 during route pickups. There will be no yard waste pickup from December - March.

For service related questions, please contact Republic Services at 847.981.0091.

Glendale Heights Foundation

The Glendale Heights Foundation (GHF) is a non-profit organization that can provide limited one-time emergency financial assistance to Village residents. The Foundation does not provide rent or mortgage payment aid. All assistance requests must be submitted in writing with name, address, details about the emergency circumstances, and financial assistance requested. A GHF form can be downloaded from the Village website. Send your request to Glendale Heights Foundation, P.O. Box 5280, Glendale Heights, IL 60139. Support the Glendale Heights Foundation when you shop at Amazon by visiting smile.amazon.com/ch/20-1044368 and AmazonSmile will donate a percentage of your purchase to the Glendale Heights Foundation. For more information, please email info.ghfoundation@gmail.com.

Water Bill - Convenient Payment Options

Your water bill may be paid online (24 hours/7 days a week); dropped in the payment collection box, located in front of Village Hall or inside the Village Hall adjacent to the Finance Department counter; in person at the Finance Department counter of Village Hall during regular business hours, or by US mail - Village of Glendale Heights, PO Box 87156 Carol Stream, IL 60188-7156.

Online Payment:

You may register to pay your water bill online conveniently 24 hours/7 days a week using credit or debit card. There is no transaction fee charged for this service.

Auto payment is also available with your registration. Auto-payment will withdraw your monthly payment on the due date directly from your checking, savings, debit or credit card. If you are already registered for online payment, simply access your account and follow the instructions for auto-payment.

For further information, visit the Water Billing page on the Village website or call 630.260.6010 with any questions or assistance in registering.
