

HOW YOU CAN HELP

The security of the Village of Glendale Heights depends greatly on citizen involvement. No Illinois law enforcement agency can effectively protect life and property without the support and cooperation of the citizens they serve. The Glendale Heights Police Department needs your help in countering terrorism. Much like our Neighborhood Watch program, we ask you to be our eyes and ears. Reporting of suspicious activity can help disrupt the terrorist planning cycle. Terrorists are trained to “blend in” and assimilate to their surroundings. Most terrorist acts are well organized and well planned. Terrorists will conduct training, surveillance and “dry runs” prior to commission of a terrorist act. They like to strike at government and civilian targets in an effort to instill fear. Although it is the intent of the terrorist to instill fear in you, it is your vigilance that the terrorist fears most. Reports can be made any time by dialing 9-1-1.
